### **Critique**

A lovely entry, thank you all for supporting me.

Overall I found a few dogs carrying too much weight over the shoulders, which affected the front movement, making them look wide in front which affected the lovely reach setters should have when moving, one or two flat feet which is something to keep an eye on. Muscletone was lacking in many and lacking in rear drive action. On the whole though some nice dogs to go over, and I was very happy with my main winners. The happy slashing tail on the move seems to have disappeared, several dogs on movement looked very much like they were just going through the motions.

### **MINOR PUPPY DOG - 1**

1 Catton & Cook's Daithi Shadow Dog With Ferngate (Imp Pol)Naf Taf - Just 6 months old, very raw youngster. Head a lot to yet develop, bit long in muzzle at moment, but that will change. Lovely clear white, with deep rich chestnut islands strong boned boy, with lovely outline, good shoulders and front angulation, well balanced, good depth and width of chest. Nice rear angulation not overdone. Moved well, when he concentrated, will be interested to watch him grow.BP

### **PUPPY DOG - 1**

1 As Minor Puppy above

### **JUNIOR DOG - 1**

1 Tattersall's Carrick Shadow Dog At Aleana (Imp Pol) - Lovely head & expression, good dark eye, correct bite, good strong neck into well laid shoulders, felt he was a little heavy over shoulders, well sprung ribs, good depth and width, little straighter in stifle, not quite the power behind on the move I like to see. Lovely looking dog in profile.

### **POST GRADUATE DOG - 2**

1 Taylor's Laoirebay Monte Carlo - Strong athletic type dog, good head, with correct dark eye. Nice shoulder and front angulation, clear coat colour and powerful

hindquarters. Played his handler up a little, but showed he had good drive and movement.

**2 Whittaker's Oldestone Caught In The Act** - Preferred the head on this boy, not so free in shoulders as 1, and feet could be a bit tighter. Longer in back not holding his topline as well, a lot of coat, which is not typical of the breed. Moved with purpose.

#### **LIMIT DOG - 6 (1ab)**

**1 Green's Zendarric Heart Shaped Box With Vizaset** - This boy filled my eye as soon as he came into the ring. Has matured enormously since I last saw him. Lovely head and expression, would like a tad more width in skull if i was nit picking. Good tight feet, lovely reach of neck into well layed shoulders, correct level topline, depth and width of chest. Everything just flows into each other. Rear angulation just right with excellent muscletone, just as it should be. Moved with lovely reach and drive, very obviously more than capable of doing the job the breed were bred for. **DCC, BOB.**

**2 Collins' Romaunt Bloomin Grand At Forestpoint** - Nice head & expression, dark eye. Front angulation ok, feet could be a touch tighter, carrying little too much weight for me, looked little heavy over shoulders, good rear angulation and bend of stifle. Moved with purpose.

**3 Bayne's Corranroo Casper**

#### **OPEN DOG - 5**

**1 Knox & Jakins' Terne Des Coris Qualimero At Coolfin (Imp Bel) Jw** - Lovely balanced young dog, beautiful head & expression. Correct reach of neck into well laid shoulders, good feet, nice depth & width of rib, correct length of back, and correct slope over the croup. Good rear angulation, and correct bend of stifle, strong hindquarters, moved with purpose and drive. **RDCC**

**2 Mcdermott's Ir Sh Ch Cilleigne Cu Chulainn At Drumlace** - Another nice boy, splitting hairs between 1 & 2, would like a little more expression in face, nice head, good front and shoulder angulation, feet ok. Good spring of rib and depth of ribcage, would like a tad weight of. Lovely clear colour, just felt he moved a little lack lustre today.

**3 Cuddy's Sh Ch Taxus Golden Prince In Balbriggan JW**

#### **VETERAN DOG - 2**

**1 Wade's Sh Ch Ballakinnish Malachi At Oldestone** - Well balanced boy, nice head & expression, good strong reach of neck, good shoulder lay, very nice overall shape, depth & width of rib, strong hindquarters, moved with drive. **BV**

#### **MINOR PUPPY BITCH - 0**

#### **PUPPY BITCH - 0**

#### **JUNIOR BITCH - 1**

**1 Ward's Cornadore Bia Becomes Copperwhite (Imp Pol)** - Well balanced B, but carrying too much weight, which spoilt her overall outline. Sweet head & expression, shoulder angulation was good, and good spring of rib, moved well. Would like to see her again without the weight.

#### **POST GRADUATE BITCH - 8 (1ab)**

**1 Knapton's Laoirebay Winter Fern With Rojenste** - Not my type of head, like a little more expression and work in head, good reach of neck, into well layed shoulders. good front, Well sprung ribs good rear angulation clean colour. Moved well.

**2 Callaghan's Laoirebay Penny Lane** - Nice head dark eye soft expression, front good, slightly longer cast than 1 nice outline, moved ok.

**3 Hargreaves' Ianbro Kamino Sapphire To Forgeway**

#### **LIMIT BITCH - 5**

**1 Wade's Oldestone Charlie's Angel** - Very typy bitch, lovely head & expression, correct front, tight feet, correct length of back and topline with croup slightly sloping, nice depth of chest and spring of rib, lovely rear angulation, moved well with drive and purpose. Such a happy girl which was lovely to see.

**2 Barney's Romaunt Ani't Life Grand** - Not my type of head, but overall angulation good, Well sprung ribs, good rear angulation, would like a little less weight to show her of. Moved well with purpose.

Good depth of chest & spring of rib, carrying just the right amount of weight, good topline, sloping slightly over the croup, good rear angulation and muscletone, lovely clear colour, covered the ground well on the move. Lovely feminine bitch. BCC

**2 Tattersall's Killarys Class Act At Alanea (Imp USA)** - Lovely head & exp, heavier boned than 1 carrying a tad more weight than I would like, good feet front angulation, strong depth of chest, moved well.
