Close decision in this class all having differing, but lovely qualities

1 Gardener's Alanea Game Reserve With Danwish - An upstanding and mature dog coming up 3 years of age. He has a shapely and balanced outline when stood gives the impression of strength, yet athletic. Though the handler did have a tendency to make his topline have a slight slope at times. He Has a masculine head with good width to the back skull and length to the foreface, nicely squared off flews. His strong muscular neck has a slight arch and flows well into his forequarters. Lovely depth and spring to the ribs, well boned limbs, with moderate hindquarters. Shown in good coat, white could have been a

*fraction clearer. His charisma and fun loving nature shining through on the move and he strode out with reach and drive, being true fore and aft - **BD & RBOB***

2 Cuddy's Sh Ch Taxus Golden Prince In Balbriggan JW - Another cracking dog, 4 years old and looked a picture on the stack. Athletic in his stature and nothing is overdone. Just right for size and balance. Lovely masculine head, very balanced with good width and depth with a kind round dark eye giving a gentle expression. Not quite the depth and development through the body of winner, but holding a firm and level topline both stood and on the move, harmonious angulation fore and aft, good length from hip to hock in the hindquarters with a good width of thigh. He has a ground covering action in profile, not quite as clean in front as winner today. Shown with a lovely pearly white, and red coat, and good condition - **RBD**

Puppy Bitch - 1

1 Ward's Cornadore Bia Becomes Copperwhite (Imp Pol) - A quality puppy of 7 months of age showing lots of promise. Showing herself off with confidence and style. Liked her overall shape and proportions, everything is just right for her age. Her head is feminine and starting to break, kind round eye starting to darken nicely. Loved her depth and spring of rib, so well developed with a short loin, and a firm level topline. Moderate hindquarters and neat feet. A little erratic on the move at the moment, but this will all tighten in time, and she holds her outline in profile. Shown with good coat colour - **BP**

Junior Bitch - 1

1 O'Connor's Dalcross Dancing Queen With Caispern - Smart bitch coming up 16 months, she has a shapely silhouette when stacked, feminine all through and showing good body proportions. She has a pretty and balanced head, with a good stop and a good length and depth to the foreface. A kind and gentle expression from her round dark eyes. Her body has good depth to the brisket and spring to the ribs, nicely boned limbs and tight feet. Well angulated fore and aft. A little loose on the move at present. Shown with a well marked coat and in lovely condition

Post Graduate Bitch - 2 (1abs)

1 Hart's Ianbro Mystic Quartz Shines At Gilliegrae JW - 21 month old bitch, of a medium size and stature, with lovely body lines, athletic with a touch of elegance. Liked the overall shape and make of this young bitch, she has a pleasing outline when stood. She is still very raw and will take time to reach her full potential. Having a feminine head with a dark kind eye. Good length of neck flowing well into her nicely angulated forequarters, enough depth and ribbing, a firm level topline. Liked her hindquarters which have a good width of thigh and sweep of stifle. Just needing to come together a little more on the move, showing good drive in profile. Lovely pearly white to her coat and well broken up red patches.

Open Bitch - 4 - A nice class of bitches

1 Walker's Zendarric It's A Kind Of Magic Within Wroxham JW - Impressed by this 3 year old bitch, she looked a picture on the stack, thought her to be of a nice size, with

substance yet feminine all through. She has the desired strength yet athletic. She has lovely balance and construction in profile. Her head is ultra feminine, perhaps would like a fraction more to it, that said it has good balance and she has a lovely kind and sweet expression. Her neck is clean and strong with a slight arch, flowing seamlessly into a firm and well held topline. Body is well developed, brisket down to the elbow with well sprung ribs. She has strength in her rear end which she used to power around the ring, showing precise and ground covering strides. Shown in good coat and condition - **BB & BOB**

2 Hart's Gilliegrae Swift N'Chic - Another quality bitch, 5 years old and in first class coat and condition. Built on slightly larger lines than winner, but full of breed type, with the athletic outline. Her head is balanced and shows good width to the backskull, and length to the foreface, with a kind dark eye. Her neck is of a good length and flows well into a strong level topline. Chest is well let down and ribs carried well back. Standing on good oval boned legs. Hindquarters have width and strength. Moved out with enthusiasm and drive, being positive and true fore and aft. Dog and handler having a lovely rapport together, moving in harmony - **RBB**.

3 Soper's Lovenjoel Belle Of The Ball

Veteran Bitch - 1

1 Ward's Sh Ch Ballakinnish Mischief Making Copperwhite JW - Appealing 8 year old bitch, who is so balanced and unexaggerated when stood. Full of breed type and with good proportions. She has a lovely head and expression, with good width to the backskull with length and depth to the foreface, combined with a round dark eye. Having enough strength and substance through the body, good length to the ribcage and a short loin. Nice oval bone and moderate hindquarters. Showing good drive and enthusiasm in profile, not as clean today in her front action. Shown with a lovely coat of pearly white and defined red patches. A credit to the breed.
