Critique**Puppy Dog - 1**

1 Sherlock's Alanea Special One - He may live up to his name in the future but right now he is very raw and needs more confidence. Good height to length proportions. Pleasing head with good eye. Prefer to see a bit more bone at this stage. He has very strong hindquarters. Carrying the right amount of weight for his age. Moved soundly when settled.

Junior Dog - 1

1 Tattersall's Carrick Shadow Dog At Alanea (Imp) - He has the makings of being top notch as he possesses many qualities in most departments. Mature for his age he presents a very balanced clean outline. Most attractive masculine head with kind, dark eye. Moderate strong neck flowing into the withers. Adequate layback of shoulder. Good

straight front. Deep in brisket and strong loins. Strong topline with correct tail set. Well developed hindquarters. Would like to see a little more drive but I dare say this will probably come with age.

Limit Dog - 1

1 Martin's Laoirebay Steel Ocean At Shannonstyle JW - Nice overall quality with no exaggerations. Pleasing head with intelligent expression. Good straight front with strong pasterns. Adequate layback of shoulder. Well sprung ribs. Good width of thigh and bend of stifle. Well muscled quarters. Moved ok once he got into his stride. RCC.

Open Dog - 3 (2abs)

1 Gardner's Alanea Game Reserve with Danwish - He presents a super balanced outline with no exaggerations. Attractive head not overdone in any way. Moderate length of neck. Excellent forehand construction. Good straight front with tight fitting elbows. Strong pasterns and feet. Mature well muscled body properties. Strong over the loin. Well developed hindquarters. Strong hocks. Carried himself well on the move with good drive. Loved his overall shape. CC & BOB.

Puppy Bitch - 1

1 Ward's Cornadore Bia Becomes Copperwhite (Imp Pol) - Beautiful youngster with so many qualities. Great shape and balance. Adorable feminine head with kind expression. Good reach of neck flowing into withers and strong topline. Adequate layback of shoulder. Good straight front with tight fitting elbows. Correct tail set. Strong well let down hocks. Handler needs to find the right pace for her but she is sound as a bell in both directions. BP.

Post Graduate Bitch - 1 (1abs)

1 Hargreaves' Iranbro Kamino Sapphire To Forgeway - Quite fine all over and the fact she was out of coat didn't help her general appearance. Short of quality and substance. Pleasing head with kind expression. She needs more drive on the move. I did consider withholding but didn't.

Limit Bitch - 1

1 Walker's Zendarric It's A Kind Of Magic Within Wroxham JW - Quite a mouthful in name. Presented a very balanced picture. Nice quality head but would prefer to see darker eye. Moderate strong neck flowing into the withers. Adequate layback of shoulder. Good straight front with strong pasterns. Deep in brisket with well sprung ribs. Strong topline. Good width of thigh and bend of stifle. Strong hocks. Good drive from the rear with excellent forward reach. Nice overall quality. RCC.

Open Bitch - 2

1 Sherratt Blackwell-Sherratt's Sh Ch Alanea Holly Fern At Charnborough - Loved her overall shape and balance. Classical feminine head with intelligent expression. Correct earset. Strong neck with good layback of shoulder. Deep brisket with well sprung ribs. Strong over the loin. Excellent topline. Well developed hindquarters. Covered the ground with ease and style. Would love to take the scissors to shorten the fringing on her tail. CC.

2 Hart's Sh Ch Gilliegrae Swift N'chic - Very dipping in topline which spoilt her outline. Preferred the more feminine head of first. Good reach of neck with adequate forehand

construction. Good straight front with tight fitting elbows. Strong pasterns and tight feet. Short in couplings. Would prefer more width to the hindquarters. Good head and tail carriage.

Veteran Bitch - 1

1 Ward's Sh Ch Ballakinnish Mischief Making Copperwhite JW - 8 year old with pleasing head and still not showing any grey. Good flow of neck into the withers. Sagging a bit in topline. Good front and bone. Not in the best of coats today. Moved well with good forward reach. BV.
