## **Critique**

---

### **Veteran Dog/Bitch - 4, 3Abs**

**1 Barney's Sh Ch Casafelice Rhoen At Romaunt** - Lovely start to the day seeing this veteran lady enjoying her outing. Beautiful head and expression, well proportioned and ears set level with the eyes. Good reach of neck and correctly made front assembly. Level topline, well ribbed back and firm through the loin. Good quarters and lashing tail. Moved out well but lost her fluidity in the challenge.

### **Junior Dog - 1**

**1 Tattersall's Carrick Shadow Dog At Alanea (Imp)** - Impressive young lad who is athletically built throughout. Masculine in head and expression with broad well proportioned skull, dark eye giving a gentle expression. Strong neck which led to well placed shoulder. Good depth to the forechest and well ribbed back. Needs to tighten a little in front, which should come with age. Firm in loin and level topline. Enough bend of stifle and good muscular development. Good carriage on the move, lovely coat and super colour, rich red patches on a clear white background. Pushed hard for top honours and I am sure he has a bright future ahead.

### **Post Graduate Dog - 4**

Not the easiest of classes to judge as, although all of a similar age, they were at very different stages of development in maturity and finish.

**1 Titterton's Spyefire Reyt Bobby Dazzler** - Won the class on his overall balance and outline, masculine and athletically built. Pleasing head which was well balanced, would prefer a shade darker in eye for my tastes. Good reach of neck and good lay back of shoulder. Most collected in front action of the class. Depth to forechest and well ribbed. Maintained his outline on the move and covered the ground well.

**2 Martin's Laoirebay Steel Blue Ocean At Shannonstyle JW** - Lovely head and expression, very typical. Clean through the neck and shoulder, good front assembly, just needs to tighten in front action. Well proportioned in body and developed quarters. Good coat and colour. Needs to tighten on the move on the out and back, covered the ground well in profile.

**3 Humphries' Spyefire Secret Agent JW.**

### **Limit Dog - 4, 1Abs**

**1 Collins' Romaunt Bloomin Grand At Forestpoint** - Smart dog who is well made throughout. Masculine, well proportioned head with a gentle expression and well set ears. Strong neck and well made front assembly. Depth to forechest, ribs well back and strong through the loin. Topline maintained throughout. Quarters developed with good muscle and carried his tail well. Super coat and colour. In profile his movement was ground covering, would like him a little more accurate in front action and he was feeling the heat today so didn't put everything in for the challenge.

**2 Walpole's Gallybob Quantum Leap** - Athletically built throughout, there is no doubt that he is male. Strong head, a little overdone in skull for my taste. Gentle expression and good eye colour. Strong neck, enough lay back of shoulder. Good through rib and loin. Well bent stifles but would benefit with better muscular definition as this showed in his movement being rather lacking drive and propulsion. Super coat and colour.

**3 Bailey's Rustasha Golden Rhythm.**

**Open Dog - 4, 1Abs**

Lovely class to judge.

**1 Gardner's Alanea Game Reserve With Danwish** - This boy looked super today, he doesn't always cooperate on the stack, however, there was nothing to touch him on the move. His outline, carriage and footfall were superb, effortless and ground covering on a long open side gait. Masculine and correctly proportioned head with gentle expression. Strong through the neck and shoulder with a good return of forearm. Body developing well and he is filling his frame correctly. Ribs sprung and well back with a firm topline. To be critical, he can appear to fall slightly over the croup on the stack, however his outline becomes clear on the move. Well developed quarters and correct amount of bone. Super coat and colour. My pleasure to award him the CC.

**2 Volkmer's Int Ch VDH Corranroo Count Gentle** - Lovely type and style, athletic throughout without any hint of coarseness. Masculine well proportioned head. Strong neck, good lay back of shoulder, slightly upright in return of forearm. Good depth of forechest, well ribbed back and firm in loin. Topline maintained throughout and good finish to the croup. Well made quarters with enough bend of stifle giving balance to his front assembly. Super coat and colour. Moved out well with an even stride, not quite as tidy in front action to the winner. Pleased to award him the RCC.

**3 Cuddy's Sh Ch Taxus Golden Prince In Balbriggan JW.**

**Good Citizen Dog/Bitch - 2**

**1 Collins' Romaunt Bloomin Grand At Forestpoint.**

**Post Graduate Bitch - 3, 1Abs**

**1 Barney's Romaunt Carry On Regardless With Verrami** - Feminine with the right amount of bone and substance. Well proportioned head with gentle expression. Good reach of neck and pleasing front assembly. Ribs well back and correctly proportioned loin, would like a little more body and weight on her and in firmer condition. Good bend to stifles and lashing tail on the move.

**2 Kearns' Spiralwood Summer Sparkle** - Feminine in head and expression, would like a little squarer in finish to muzzle. Strong neck, little upright in shoulder placement. Enough depth to forechest and ribs well back. Strong through the loin and good finish to the croup. Quarters well developed and used to advantage on the move. Carried herself well.

**Limit Bitch - 2**

**1 Barney's Romaunt Ain't Life Grand** - This bitch took my eye as she entered the ring, clean and balanced in outline, athletic with femininity. Beautifully balanced headpiece, being critical I would like a slightly darker eye. Flows through the neck into well placed shoulders and a correct return of forearm. Stands on good legs, would prefer tighter feet. She has depth to her forechest, super ribs, loin and topline. She flows and maintains her outline throughout. Well developed quarters and good muscular development. Her movement was a joy to see, accurate in footfall, free and open in side gait and her carriage around the ring was a pleasure to watch. My pleasure to award her the CC and she pulled out the stops to take BOB.

**2 Soper's Lovenjoel Belle Of The Ball** - Heavier marked bitch, however this did not detract at all. Well proportioned head with a gentle expression. Good neck, would like a shade more layback of shoulder. Good depth to forechest and well sprung rib. Stands on

lovely legs and feet. Topline maintained, just falls slightly over the croup. Well made quarters and good musculature. Moved covering the ground well.

**Open Bitch - 4**

**1 Tait's Lovenjoel Sleeping Beauty** - Eyecatching bitch who has a super outline, balance and is athletically built throughout. Feminine and well proportioned head with a gentle expression. Clean through the neck and shoulder with a good return of forearm. Elbows tight and well under her. Good ribs, well back and sprung and a firm and well proportioned loin. Topline held throughout and liked her finish to the croup. Good bend of stifles with correct muscular development. On the ground she has a super footfall and covers the ground with ease. Heavier marked but this did not detract in anyway. Pushed very hard for top stop, I just preferred the carriage of the limit winner in the final run off. My pleasure to award her the RCC.

**2 Sherratt & Blackwell-Sherratt's Sh Ch Alanea Holly Fern At Charnborough** - A very typy lady, full of quality and one can easily see she deserves her title. Feminine with the correct amount of substance. Correct head shape and squareness to her muzzle, lovely eye and expression. Good reach of neck and enough layback of shoulder. Good depth and development of forechest, ribs sprung and well back. Loin strong, would prefer slightly better finish to croup and tailset. Super quarters and muscular development. Free flowing side gait covering the ground well.

**3 Tattersall's Killarys Class Act At Alanea (Imp).**
