

## **Open Show Points Competition**

With intentions of promoting the progression of judges and supporting the entries at qualifying open shows, the club runs a points competition for open shows, which is totally separate from the Championship Shows.

Commencement date is 1<sup>st</sup> January each year.

Points can be claimed for Irish Red & White Setter classes held at General Open and Gun Dog Open shows where the judge is from the clubs B or C lists. The qualifying period runs to the end of the calendar year and placings will be recognised at the AGM the following year.

Note Championship shows and Breed Open shows do not count and the judge can be either a specialist or non specialist.

**Points allocation in each class is as follows, First place = 3 points**  
**Second = 2 points**  
**Third = 1 point**

Also **Best of Breed = 5 points and Best Puppy = 3 points**

Qualifying shows will be allowed to advertise their shows on the club website.

Exhibitors need to submit a claim form soon after the year end to the administrator who is currently Alan Bamford.

Claim forms will be available from the club web site.
