My thanks to the Society for their kind invitation to judge and to the "intrepid" exhibitors for their support.

Junior Dog: (1:0ab)

1st. Barney & Howatson: SH.CH. KILLARY'S GRAND VENTURE WITH VANDERS AND ROMAUNT (Imp USA).

Beautifully presented and shown in super condition. Lovely head and expression and with maturity can only improve. Nicely crested neck flowing smoothly into good layback of shoulder. Deep chested with good spring to ribs and nice fore-chest. Strong loin and well angulated hindquarters. Good feet. Moved soundly and well collected. I feel the best is yet to come with him and wish him well with what I believe will be an exciting career. C.C.

Post Graduate Dog (1:0ab)

1st Cairns: DALRIACH SEANAIT. Quite a handful for his owner. Heavier than I would like but head has the proportions of the breed. Good front assembly, strong deep ribs and loin, well angulated hindquarters.

Moved okay.

Limit Dog (1:0ab)

1st Tattersall: ALANEA GAME WARDEN: Upstanding, athletic boy. Lovely head and expression. Strong well crested neck. Good layback to shoulders and return to upper arm, Ribs well sprung and let down giving good fore-chest. Strong well muscled loin into wide, nicely angulated hindquarters. Moved well and soundly. Very close decision between him and my CC winner, would just like a little bit more of him. R.C.C.

Junior Bitch (1:0ab)

WITHHELD

Limit Bitch (1:0ab)

1st: Barton: TANISWOOD SUMMER ROSE WITH BENCORRAGH: Good head proportions and kind expression. Good finish to muzzle. Strong neck and nicely angulated front assembly, well ribbed back with good spring to ribs, well-muscled loin, wide quarters. Moved soundly.

Open Bitch: (2:0ab)

1st: Tattersall: Sh.Ch. ALANEA SUMMER COTTAGE: She has everything I would want in an Irish Red and White Setter. The most beautiful girl with substance and femininity. Athletic in profile and balance and proportion spot on. Super head and expression. Lovely eye shape and colour correct finish to muzzle, low set ears. Crested, strong neck flowing without break into the best of front assemblies. Layback and return, depth and spring of rib all contributing to well filled fore-chest, her hind angles compliment the front, with wide angulation and drive. Good feet. Moved with reach and drive and good foot-falls. Her pearly white coat with good markings just the icing on the cake. My only complaint....she's not mine!!! It was with great pleasure I was able to award her, what I later learned, is her 13th C.C. and BOB.

2nd: Barton: TANISWOOD SUMMER ROSE WITH BENCORRAGH.
