CRITIQUE

I always love to judge this breed and today was no exception. I was absolutely thrilled with my principle winners and feel quite privileged to have judged such quality dogs. The sun was shining, we had a decent size ring, an ideal environment in which to judge and exhibit dogs. Thank you to all exhibitors for such an enjoyable day leaving me very excited about the future of some shining stars.

Great personality and full of confidence, I love to see a happy puppy. It's all about enjoying themselves at this stage and handlers giving lots of encouragement. Nice job. Lovely colouring. Appealing head, with clean muzzle. Feet need to tighten. In good body with correct spring of rib at this age. Strong topline. Good width to thigh and bend of stifle. Moved well for a baby

1st KILLARY'S GRANDVENTURE WITH VANDERS AND ROMAUNT (IMP USA) (MR J A & MRS J BARNEY & HOWATSON)

A very impressive male, so clean in outline and very eye catching. He has a presence about him too which in my opinion can make a good show dog a great show dog. He holds himself on the stand and on the move. One of the best movers on the day, covering the ground with such ease, holding his head, topline and tail in perfect outline. I would like to see his handler have the confidence to let him go on a longer, loose lead which will present an even better picture on the move. Pleasing head. Clean strong neck. Good depth of chest. Super spring of rib. Correct width of thigh, with good bend of stifle. This dog has lots of time ahead of him to mature and coat up, I am sure he will have a very exciting time in the ring. Res CC

2nd CAISPERN RODDY OWEN AT OLDESTONE (MR & MRS D S WADE)

I liked this male a lot. Just lost out on performance on the day, if you've got it flaunt it. Super head, lovely eye shape and expression. Well-made throughout. Strong well-constructed front assembly. Good topline. In hard muscular condition which I know he could use on the move. Excellent colouring, deep red and clear crisp white. Love to see a wagging tail. One to watch.

1st ALANEA GAME WARDEN (MRS A TATTERSALL)

This dog appealed to me more when I went over him. A very appealing type. Liked his head, masculine but not coarse. Correct ear set, lovely expression. Strong body, super bone. Good front assembly with a straight front. Strong hindquarters which he used to drive on the move. Tight feet. Would prefer a better tail set, falls away a little too much at the croup.

2nd RUSTASHA GOLDEN RAPPER (MR B J & MRS S A BARRY)

Masculine head. Muscular and clean through the neck and shoulder. Lovely depth of chest. Correct topline. Strong loin. Good width of thigh and good bend of stifle. Super colouring. Would like a darker eye and tighter feet.

1st CASAFELICE CHEVIOT (MRS K A GRIFFIN)

A stylish male who pleased me in overall outline. Very clean in profile. Pleasing head just a bit heavy in the flews and would prefer a slightly darker eye. Well boned. Clean, good length of neck. Well held topline on the stand and on the move. Strong well-muscled hindquarters. Lovely colour and markings. Would prefer a tighter front.

2nd RUSTASHA RHAPSODY IN RED (MR B J & MRS S A BARRY)

Different in type. Smaller framed than 1. Pleasing to go over. Would like slightly more work to his head and depth of muzzle. Correct depth of chest with good spring of rib. Good topline. Moved well at the correct pace.

Appealed to me for his type. Definitely athletic. A top quality strong, well-constructed dog throughout.

Super bone. So lovely to go over. In hard muscular condition with good bone. Beautiful head piece with correct stop and expression. Well put together front assembly, good spring of rib. Strong, wide hindquarters. Moved with power, covering good ground, using his tail and holding his topline. A very well deserved CC

2nd SH CH/IR SH CH CASAFELICE MONTADALE JW (MR I & MRS G LAMB)

I've admired this dog in the past and still do. Lots to like about him, well worthy of his title and still lots to give. Super colour and markings. Love his head, with correct stop, eye and chiselling. Good bone throughout. Lovely depth of chest. Good spring of rib into strong lion. Well angulated rear quarters.

A pretty bitch. Clean through the neck and shoulder. Feet need to tighten which can come with age and work. Correct colouring. In good body. Moved with enthusiasm and personality.

2nd DALRIACH WILDFIRE** (DR A & MRS J B CAIRNS)

A much smaller framed and boned bitch throughout. Full of character, very confident. Pretty head. Needs to settle on the move. Would like more of her overall, needs to body up.

Pretty bitch, appealing overall outline. Feminine head and kind eye. Good length of neck. Really lovely on the move, covering the ground, happy attitude, holding her head, top line and with a lashing tail, a pleasing sight to see. Would like tighter feet but has time to tighten.

1st VANDERS CRIMSON VELVET (MRS D & MR M ROWLES)

A feminine, stylish, quality bitch with a lovely outline. Handled to get the very best from her. Kept catching my eye in the line-up. Lovely to watch on the move, very stylish, free and easy covering the ground well. A balanced feminine head. Presented in great body and condition. Super spring of rib and depth of chest. Thoroughly deserved Res CC and sure there will be more top honours to come.

2nd SPIRALWOOD SPRING TIME (MR & MRS D S WADE)

A very appealing bitch for type. Lovely to go over. Well-made and in good muscular condition. The most beautiful head, and an expression that I would like to bottle, reminded me of a bitch I used to show. Straight tight front, desired depth of chest and good spring of rib. Strong in the lion. Lovely colouring. Not cooperating very well with her handler which put deterrent to her performance.

1st ALANEA SUMMER COTTAGE (MRS A TATTERSALL)

Simply outstanding, a bitch that gave me goose bumps. As I turned and saw her in the line-up she quite literally took my breath away. I couldn't take my eyes off her. Stacked and stood freely, she just excels in quality. A great ambassador for the breed and should be acknowledged for her outstanding qualities by winning at top level in groups. A feminine bitch with the build and construction required for this breed. . Strong throughout but in no way overdone. Beautiful head with an expression I could get lost in. Good depth of chest, straight front. Correct spring of rib. Good bone. Lovely width and strength of thigh, correct bend of stifle. The more this bitch moved and the freer the lead the better she went. Presented in first class condition. The sun on her gleaming coat finished off a perfect picture for me on the day. A pleasure to award her the CC & BOB. She put on a first class performance in the group ring.

2nd SPIRALWOOD SECRET LOVE FOR ITCHENWYCH JW (MRS G J HORROCKS)

A quality bitch that I've done well in the past. Today though she was carrying a little too much weight over the shoulder which spoilt her outline and she did not show herself off on the move. I just want that bit more from her. She is so well made throughout. A feminine head with a gorgeous eye and expression. Straight front. Correct spring of rib. Strong in top line and loin.
