CRITIQUE

Thank you to the committee for this appointment and thankyou to all the exhibitors for a very good turnout.

VD (2.0) 1.Walkers ShCh Vanders Va Voom Avec Wroxham.Only just in veteran by a few months and in superb condition, lovely in profile, really sound movement, well balanced head with kind dark eye ,very good lay of shoulder into level topline and correct tailset, nice front and rear angulation and well developed thighs, very well presented.RBD.2. Barry's Rustasha Red Hot Rhumba. Close decision but preferred the front and shoulders of 1, well balanced all round, strong bone, deep chest and good loin and quarters, good sound movement. JD. (1.0) 1. Barry's

Rustasha Golden Rapper. Alone but well deserving of 1st place, developing nicely all round, balanced masculine head nicely domed and in proportion, strong quarters, well developed chest with plenty of lung room, muscular thighs down to short hocks providing plenty of drive to his movement. PGD.(3.0) 1.Barry's Rustasha Golden Rapper. Pleased to learn that this gave him his JW, congratulations. 2.Hart's Redmore Diamond Geezer Mit Gilliegrae, a young dog still developing but has good quality, very kind expressive eye, strong neck on nice shoulders, topline could be stronger and will come in time along with muscular development, very good angulation and plenty of depth to chest, flowing easy movement.3 .McDonald's Roanjora Castelao. OD.(4.0) 1.Walpole's Lovenjoel Ice Cool. Outstanding dog of super quality, well balanced masculine head with keen dark eye, strong neck into excellent lay of shoulder, terrific quarters, well angulated, level topline and correct tailset, strong along the loin and well developed thighs to short hocks, lovely strong driving movement.BD and BOB. 2.Barry's Rustasha Rhapsody In Red. Preferred head and shoulders of 1 but otherwise another very sound boy, good length of neck, topline and croup, deep well developed chest and strong quarters, excellent muscle development, tight feet, strong mover. 3.Wade's Caispern Roddy Owen At Oldestone. VB.(1.0) 1.Barry's ShCh Shireoak Hurricane Ruby Rustasha, A 10 yr old in great condition and her movement would show some how to do it, still strong and well muscled, nice deep chest, good lay of shoulder, level topline and correct tailset, very good overall conformation. BV. PB. (1.0) 1.Callaghan Corranroo Coco. Nicely domed head with the sweetest dark eyed expression, well balanced, strong but elegant neck into really nice shoulder and topline, good angulation and quarters developing well, reaching easy movement which impressed. BP. PGB. (6.1) 1.Wade's Spiralwood Spring Time. A very promising girl displaying so many good attributes, she has a bright future, feminine head in proportion with sweet kind expression, well balanced all round, good shoulders, plenty of depth of chest and rib room, strong muscular quarters with good bend of stifle, really sound movement showing her strength and drive. RBB. 2. Hart's Gilliegrae Swift N'chic. Very well put together and just beaten on maturity today, strong but elegant neck and good lay of shoulder, nice front and pasterns, correct topline and tailset, good spring of rib into strong loin, well angulated, tight feet and in good condition but just needs more muscle toning which will come, moved with a nice easy flow. 3. Farrow's Roanjora Fleurie. OB. (3.2) 1.Barry's Rustasha Rosa Kim. All round conformation in balance and in proportion, very sweet expression enhanced by an appealing eye, deep well developed chest with plenty of lung room, good shoulders and level topline, lovely muscle ne, strong quarters providing effortless movement, just beaten for BOB as I preferred the dogs head and carriage but a very close decision. BB. GCB. (3.) 1. Farrow's Roanjora Fleurie. Well made with good quarters and sound on the move, would prefer a deeper brisket and more bend of stifle but nice head and front, in good coat.2.Green's Shannonlee The Reed Bunting. I've seen this girl show much better but she was not on form today, strong all round with deep chest and good shoulders, topline and tailset, didn't go with any fluency or drive unfortunately. 3.Mole's Dalriach Silver Tassie.
