CRITIQUE

PD (3)

1st: Ball & Harrison's Corranroo Commitment, well grown youngster of good size and type with well defined masculine head and dark eye. I liked his shape and clean outline with correct front and feet. Well marked with coat of good colour. Firm, level topline with deep body and spring of rib. Strong, well muscled hindquarters which achieved sound and positive movement. Promising youngster.

2nd: Green's Zendarric Heart Shaped Box with Vizaset, 6 months and giving a lot away in maturity. Pleasing head, correct front with reasonable layback of shoulder, strong topline which he held on the move. Nicely marked and shown in excellent condition. Just needs time.

3rd: Stevens' Corrancoo Clooney of Annagh.

JD (2)

1st: Ward's Cornadore Argyle with Copperwhite, strongly made, of good breed type with well shaped head, dark eye and kind expression. A workmanlike dog showing strength in body and well muscled hindquarters. Straight front, deep body and well sprung ribs, maintaining correct topline on the move. Sound, positive mover. RBD.

2nd: Pilmer's Anisbrig Tobermory, more refined in head than winner with good balance and outline. Not as forward as winner in body and tended to move a little close behind. Needs to tighten in feet.

OD (3)

1st: Green's Courtdown Field of Dreams for Vizaset, very stylish dog shown in excellent coat and condition. Handsome, well whaped head, well made throughout with strong body and bone. Clean outline, in hard condition with firm topline and a great depth of body. Well angulated and muscled hindquarters which he used to advantage on the move. BD & BOB.

2nd: Wards Courtdown One in a Million, also of excellent breed type and with a lot to like with masculine well shaped head and dark eye. Correct front and feet, good depth of body with strong hindquarters. Giving a lot away in age today, but should do well with maturity.

PB (1)

1st: Ward's Courtdown Fair maid of Devon, rather unsettled on the move making assessment difficult. Very feminine bitch of 12 months, needing to develop more in foreface. Well shaped head, dark eye and kind expression with reasonable body and clean outline. Well shaped and muscled hindquarters. Coat in lovely condition. Not cooperating with owner today.

JB (0)

PGB (4,3a)

1st: Mole & Knox's Dalriach Silver Tassie at Edincaw, although alone in this class she deserved her placing. Pleasing, well balanced head with deep muzzle and well defined stop. Tight feet, correct bone and front. Ample neck with good layback of shoulder, well ribbed body with good depth and firm topline. Strong hindquarters and sound, steady mover. In excellent condition.

OB (1)

1st: Ward's Sh Ch Ballakinnish Micheif Making Copperwhite, mature, of lovely breed type with super head and kind intelligent expression. Well laid shoulders, good substance throughout and well ribbed body with strong topline. Combines substance with quality, moved soundly, if a little affected by the heat today. BB & RBOB
