First of all thanks to the exhibitors for your support of a replacement judge, I sincerely hope that Rod will be out and about again as soon as his health permits.

A small though perhaps "new" normal entry. It is a shame we see so many standing alone as one has so little to compare with. I was pleasantly surprised with the representation of breed type with just a few exceptions. Bearing in mind the hot humid conditions and lack of shade the dogs coped quite well though many were a bit disinclined to carry their heads up. On the whole a fair quality entry, lack of substance particularly light bone needs to be addressed, but please no lumber as a substitute for substance. Bone may be inherited but equally the rearing of pups and feeding are, I feel, more likely to be the real key. Feet have improved though still a few that were not so appealing. Rear angulation particularly lack of adequate bend of stifle has always been an issue, though looking back in time they were always thus so perhaps its correct?

I hope you all enjoyed your day as much as I did and I look forward to meeting you all around the ring in the future in easier times.

**Minor Puppy Dog: - 1.**

**1<sup>st</sup> Hart's Gilliegrae Time T'Shine**

7 and a half month old, presented a pleasing outline, head of good proportion and balance. A bit wings and elbows on the move but understandable for his age. Nice deep colour needs to pick up some bone over the next few months to reach full potential. (BPIB)

**Puppy Dog: - 1**

**1<sup>st</sup> Hart's Gilliegrae Time T'Shine**

Doubled up from previous class.

**Yearling Dog: - 2**

**1<sup>st</sup> Tait's Talintyre Winter Shadow**

20 month lad, good substance and bone correct colour. Shorter coupled with a strong head into good shoulders. Topline held well on the move, tail set a little off the croup.

**2<sup>nd</sup> Green's Flores Henry Tudor by Vizaset**

A lighter type than 1, confident on the move would benefit from a bit more substance and needs to drop in rib and loin narrower all through than the winner but by no means an unpleasant young dog, maturity will help no doubt.

**Graduate Dog: - 1 (1 Abs)**

**Post Graduate Dog: - 3 (1 Withdrawn )**

**1<sup>st</sup> Catton & Cook's Daithi Shadow Dog With Ferngate (Imp Pol)**

Well balanced young dog nice masculine head set on good neck and shoulder. Feet could be a bit tighter. Reasonable amount of bone though would prefer more to complete the package. Won the class on the move which was true coming and going with a good top line in profile. Later happy to award him the RCC.

**2<sup>nd</sup> Titterton's Spyefire Reyt Bobby Dazzler**

Presented a good stacked profile. Strong head of good proportions with a nice eye. Lovely colour and in good coat, well-muscled up and has sound angulation which added up to a bit of a puzzle since on the move he was not at his best, pacing, moving wide then close.

**Limit Dog:- 3 (2 Abs )**

**1<sup>st</sup> Martin's Laoirebay Steel Blue Ocean at Shannonstyle JW**

Good dog for type well balanced head of just the right size for his frame with lovely expression. Good neck and shoulder plenty of rib and reasonable angles. Evidentially didn't move going away quite as well as he should.

**Open Dog:** - 5 (1 Abs)

**1<sup>st</sup> Ward's Cornadore Argyle With Copperwhite (Imp Pol)**

A compact dog of good type, not flashy but very sound. Not always at one with his handler but seemed happy to do it himself. Top line held when moving covered the ground effortlessly and economically and very truly, the truest mover of the day. CC.

**2<sup>nd</sup> Knox & Jakins's Dutch Ch Terne Des Coris Qalimero at Coolfin (Imp Bel) JW NJK**

Larger dog than 1 though all in balance, strong typey head with strong expression. Nice shoulder and neck with correct rib. Moved with drive though not quite true going away. Quite sure he will do well in the future.

3<sup>rd</sup>. Green's Zendaric Heart Shaped Box with Vaszaset.

**Minor Puppy Bitch:** - 1

**1<sup>st</sup> Knox & Jakins's Coolfin Ailhbe**

Only a week or two over the 6 months but she seemed to handle her first show quite well. A nice rich colour, pretty head nice amount of bone for a youngster with more to come. Nice front end assembly, moved with a minor pup rawness only to be expected. Showing plenty of potential for a bright future.

**Puppy Bitch:** - No Entries.

**Junior Bitch:** - 1

1<sup>st</sup> Hart's Berryessa Ballderg with Gilliegrae.

Another pretty youngster feminine head, good muscle tone and of pleasing type. Well angulated front and rear and moved with some confidence, will watch her progress with interest.

**Yearling Bitch:** - No Entries

**Graduate Bitch:** - No Entries.

**Post Graduate Bitch:** - 1 (1 Abs)

**Limit Bitch:** - 2

**1<sup>st</sup> Callaghan's Laoirebay Penny Lane**

Lovely for type good head eye and expression. Very well put together with good forechest. At only just over 3 and three quarters she will continue to mature and I'm sure improve definitely one to watch. Moved adequately and true though not so animated. the humid conditions didn't suit her too much.

**2<sup>nd</sup>. Ward's Cornadore Bia Becomes Copperwhite (Imp Pol)**

Half-sister to the Dog CC and it showed in type and overall confirmation. A very close decision as the comments for 1 are pretty much repeated a little less positive on the move than the winner. Nice colour and pleasant feminine head.

**Open Bitch: - 3**

**1<sup>st</sup> Sherratt & Blackwell- Sherratt' s Sh Ch Alanea Holly Fern at Charnborough**

Did well to win a very tight class of three quality bitches. Came out on top by virtue of her overall balance moved with ease and confidence. She is well put together, her head could be a little broader for me but that is but one observation. Well angulated front and rear leading to her easy moving gait. Happy to award her the CC and BOB.

**2<sup>nd</sup> Tait's Sh Ch Lovenjoel Sleeping Beauty**

Pushed the winner very hard. Head of good size and type shoulder and neck coming together in harmony. Well bodied and substantial. Tailset on rather off the croup carried through to her son I note. None the less a quality bitch of discernible breed type. RCC
