Critique

Open Dog - 3

1 Pilmer's Anisbrig Tobermory - Quality 5 year old of excellent type with super balanced outline, he is strongly built but certainly not overdone and is actually quite elegant, broad head with dark eyes giving gentle expression, neck of good length in to well placed shoulders, firm topline, good tail and set, good width of thigh and bend of stifle, straight front with good bone and tight feet, deep in chest and well ribbed back to muscular loin, well presented coat of very distinct colouring, moved on a good stride, very well handled. BD & BOB.

2 Gardner's Sh Ch Alanea Game Reserve With Danwish - 3 year old male of a different type, much heavier put together, very pleasing in head and eye, good reach of neck, topline sloping more than I would prefer, excellent rear angulation, very good bone and feet, very deep in chest with well sprung ribs, muscular loin, shown in good coat and muscular condition, moved out well. RBD.

3 Hart's Redmore Diamond Geezer Mit Gilliegrae - A shame that this boy was unhappy with something as I am sure the result would have been different a lovely type and quality.

Open Bitch - 1

1 Hart's Sh Ch Gilliegrae Swift N'Chic - A super quality bitch of a very pleasing type, appealing in outline, very feminine in head with soft expressive eyes, lovely neck and shoulders, level topline, very good rear, lovely coat and condition, moved with reach and drive, very nicely presented. BB Eddie Webster
