I would like to thank the officers and the committee for inviting me judge the Autumn open show which was a most enjoyable day. Thank you to Mrs Webb and her team for providing a lovely lunch as always and the gift I received will take pride of place.

There were some lovely dogs to go over but a couple of things I did notice were a number of dogs had in my opinion rather loose feet and some lacked in fore chest.

Walker's Sh Ch Vanders Va Voom Avec Wroxham - I have judged this Gentleman before and he certainly hasn't lost any of his attributes now that he is a veteran. Super head and eye colour, well placed shoulders and good angles both front and rear. Good fore chest and plenty of depth and still moves around the ring with style and grace. BD. BV. BIS.

Ward's Countdown One in a Million - Lovely pup who shows lots of promise. Nice head and shoulders with good rear angles and tail well set on. Moved around the ring just like you would expect from a 7 month old puppy. Look forward to seeing how he develops.

1. Barney's and Howatson's Sh Ch Killary's Grand Venture with Vanders and Romaunt (IMP USA) - Very nice boy who is developing into a super young man. Good head shape with strong muscular neck leading into a lovely shoulder placement. Straight front and good bend of stifle and well off for muscle throughout. Movement powerful and reaching just needs a little time to tighten in front. RBD. RBIS

2. Pilmer's Anisbrig Tobermory - Another promising youngster although different type to 1. Nice head shape with good ear set. Good angulation standing on tight feet. Nice body shape in profile with correct level top line. Moved well making good use of his hindquarters.

3. Taylor's Laoirebay Midnight Drifter.

1. Hart's Redmore Diamond Geezer mit Gilliegrae - Handsome young man who has bodied up nicely. Very pleasing outline with good angles both front and rear. Lovely head and expression with exceptional coat colour and condition. Moved positively around the ring covering the ground well.

2. Wade's Oldestone Strutt Ya Stuff - This boy is very well balanced with a nice head and good front and rear angulation. He was very unhappy in the ring today so made it difficult to assess his movement. He may have been happier if we were able to be outside but unfortunately this wasn't possible.

A little out of coat today but didn't detract from the overall picture. Moved out well, just needs a little time to tighten in front.
2. Mallinson's Anisbrig Ailsa Bay - Pretty girl with good balance although slightly smaller frame than 1. Nice angles front and rear just not as together as her litter sister.

1. Tong's Rustasha Raison d'Etre for Kellizlot - Very nice bitch who is beginning to show a lot of promise. I know she has given her handler a hard time in the past but the patience has obviously paid off. Pleasing head and expression, straight front, well developed fore chest and good depth of brisket. Good rear angles and shown in good coat, moving well driving from the rear. RBB.
