Critique

I would like to thank the officers and committee of the Club for the invitation to judge my first breed show. I said in the schedule that I wanted us to have a fun and enjoyable day. I would say we achieved that!

Veteran Dog (2)

1. *Meesschaert's Sh Ch Countdown Finnians Rainbow.*

This fellow was a real surprise. 7 1/2 yrs old, I was struck by his lovely head - quite outstanding. He has a particularly good front. Shown in excellent condition with ideal musculature. Feet are neat. Good colour and showed correct movement. RBD, BV and Res BIS

2. *Walpole's Lovenjoel Ice Cool.*

9yrs old. A big built dog with another strong head. Today his movement was a little heavy rather than powerful.

Puppy Dog (1)

1. *Catton and Cook's Daithi Shadow Dog With Ferngate (imp.Pol.).*

At 10 months old he is a big framed dog in the process of growing into himself. There is still a lot of developing to complete but a lot to like. Erratic movement, there was enough to see he can do it correctly. RBPIS.

Junior Dog. No entries.

Yearling Dog (1)

1. *Mapletoft's Roanjora Tanqueray.*

A finer built dog. He needs to build body and real substance but the framework is a good one. Movement was overall ok but with flashes of something better.

Graduate Dog (2)

1. *Taylor's Laoirebay Monte Carlo.*

2 yrs old and coming together nicely. Good front assembly, lovely head. Nicely balanced throughout. Good to see him move so well.

2. *Mapletoft's Roanjora Tanqueray.*

Post Graduate Dog (2)

1. *Humphries Spyefire Secret Agent JW.*

A longer cast dog but balanced. He moved very well. The most striking thing was his gorgeous head. All the right dimensions and correct planes for a masculine handsome chap.

2. *Taylor's Laoirebay Monte Carlo.*

Limit Dog (3,1Abs)

1. *Stevens Corranroo Clooney of Annagh.*

A compact dog, good rear angulation, well balanced and this showed in his movement.

2. *Walpole's Gallybob Quantum Leap.*

A good head and nicely bodied. He was a little overweight and this showed with his movement which was less precise than 1.

Open Dog (5,1Abs)

1. *Birch and West's ShCh Corranroo Cameo at Hitides.*

A very masculine dog. A good head with a kind expression. Displayed balanced correct movement, striding out at the front and powering from the rear. He was the complete picture. BD and BIS.

2. *Meesschaert's Sh Ch Courtdown Finnians Rainbow.*

Veteran Bitch (4,1Abs)

1. *Tong's Rustasha Raison D'Etre.*

An unexaggerated bitch with a soft expression. I liked her correct movement. RBB and RBVIS.

2. *Humphries ShCh Spyefire Seven Seas JW.*

She has a balanced feminine head. A little out of condition which adversely affected her movement.

Puppy Bitch (2,1Abs)

1. *Alanea Obsession of Hodgehall.*

Finer built, pretty and feminine, with good angulation. She needs to body up as she develops. Excellent movement. BPIS.

Junior Bitch (1,1Abs)

Yearling Bitch No entries

Post Graduate Bitch (4, 3Abs)

1. *Scott Mackardy's Laoirebay Whisper.*

Fine built throughout, would like more barrel to her chest but she is well balanced and had good movement.

Limit Bitch (2,1Abs)

1. *McDonald's IrShCh , Dutch ShCh Roanjora Tsarine Tsarina CW17, BWNL 18.*

Liked this lady. Good amount of bone. Shown in good condition with good muscle tone. Balanced movement.

Open Bitch (2,1Abs)

1. *Walker's ShCh Zendarric It's A Kind Of Magic Within Wroxham JW.*

Nicely mature bitch showing particularly good rear angulation and very good movement. A pretty face. BB, BOSIS.
