### *Critique*

My sincere apologies for the delay in this report. Unfortunately it has been trapped within my broken PC which had to be sent away to get repaired.

I had a thoroughly enjoyable day and would like to thank the exhibitors for a lovely entry, my ring stewards Rae and John and to the MC Committee for the appointment.

I found from the entry only a small number of exhibits were shown in hard condition which was a disappointment. There has been an improvement in head shape, front and rear angulation, and feet. I did feel it was a shame that not a single exhibit was shown on a loose lead.
