## Critique

---

### **Special Beginner Dog/Bitch - 1**

**1 Sayer's Spyefire Yorkshire Lass** - lovely head with soft expression, ok through her front & rear, well muscled, held her outline on the move, moved well in profile, but a little untidy up & down. BB.

### **Post Graduate Dog - 1**

**1 Green's Zendarric Heart Shaped Box With Vizaset** - lovely outline, head still needs to break, super angles front & rear, lovely bone & feet, well bodied, moved out well but not quite as positive at the rear.

### **Open Dog - 2**

**1 Cuddy's Sh Ch Taxus Golden Prince In Balbriggan JW** - liked this boy for his overall balance & maturity, super head & eye, shown in fabulous hard condition, & moved out with purpose. Well made front & rear, good depth of body. BD & BOB

**2 Gardner's Alanea Game Reserve With Danwish** - another lovely boy, super front & ok through his rear, good depth of chest, falls away slightly at his croup, moved out well, not quite as accurate as 1 today

### **Post Graduate Bitch - 1**

**1 Sayer's Spyefire Yorkshire Lass**
