CRITIQUE

Always a pleasure to have the opportunity to judge this delightful breed which has improved in great strides, a compliment to the breeders. However, incorrect shaped feet are still very much in evidence and movement could still be better. They appear to be more uniform in type and temperaments are good.

VETERAN DOG - 5 (1 abs)

1st Walkers Sh.Ch. Vanders Va Voom avec Wroxham - A dog who carries his age well. Of moderate size, well shaped head, kind expression, overall construction correct, good colour and coat, strong hindquarters, moved well and with enthusiasm. Had to give way in the challenge to younger dogs but was still Best Veteran.

2nd Barry's Rustasha Red Hot Rhumba - Slightly larger dog but correct, good in neck and shoulder placement, in good coat, although he moved well I preferred the stronger hind movement of 1.

PUPPY DOG - 1

Birch's Corranroo Camero at Hitides - Stood alone but a very impressive youngster with lots to like about him. Well shaped head, soft expression, good conformation all through, well angulated behind, clear colour with nice red islands. He is well up for size and his movement is untidy at the moment but this will improve with age and correct exercise. Best Puppy.

JUNIOR - 3

1st Barry's Rustasha Golden Rapper - Lovely young boy, mature for age, excellent coat and colour, well shaped head, kind expressive eyes, well arched neck flowing smoothly into well laid shoulders, good front and hind angulation. I am sure this dog will improve even more with age. C.C.

2nd Bailey's Rustasha Golden Rythm - Litter brother to 1 and similar remarks apply, however he is longer in croup and not quite as good in forehand but has excellent colour, good bone and moved well.

3rd Barrett's Rustasha Golden Riviera.

POST GRADUATE - 7

1st Barry's Rustasha Golden Rapper

2nd Bayne's Corranroo Casper - Moderate sized dog with overall good construction. Head a little plain at the moment but that could change, lovely soft expression, good neck and shoulder placement, well ribbed up, excellent front angulation, would like a little more hind angulation to balance the front. Moved well.

3rd McDonald's Roanjora Castelao JW

LIMIT - 2

1st Wade's Caispern Roddy Owen at Oldestone - Lovely boy, excellent head with expressive eyes well arched neck, well laid shoulders, strong topline, super clear colour, good body properties, went well.

2nd - Tattersall's Alaneo Game Warden - Larger heavier dog, well shaped but stronger head, good overall shape, good colour, went OK

OPEN 4

1st McDonald's Roanjora Pinotage Sh.CM - I have done this dog well before and I still say that although I would prefer him to have clearer white his overall construction and balance is excellent and he cannot be overlooked. Well shaped head, arched neck good front and rear angulation, strong topline, good body depth, good width across thigh, well presented dog who carried himself smoothly around the ring. RCC

2nd Barry's Rustasha Rhapsody in Red - Appears less mature than 1 but has that well shaped head with soft expression that all of this breeders dogs have. Correct front angulation, good body properties, not as strong behind as 1,

3rd - Walpoles Lovenjoel Ice Cool.

VETERAN BITCH - 2

1st Barry's Sh.Ch.Shireoak Hurricane Ruby Rustasha(imp) - 10 year old, lovely feminine lady with such a sweet head and expression, very typical. Has retained her overall good shape with good angulation fore and aft. In full coat and has good colour. Went well and very happily.

2nd Ward's Copperwhite Cinnamon - Another good representative of the breed, but not in the same coat as 1 and does not have the same good front angulation, very good hindquarters which she used to advantage when moving around the ring.

PUPPY - 1(abs)

JUNIOR - 0

POST GRADUATE - 5 (2 abs)

1st Wade's Spiralwood Spring Time - Very typy bitch, feminine sweet head, good hind construction but I would prefer better front construction, excellent hindquarters, good colour, moved OK.

2nd Hart's Gilliegrae Swiff n'chic - Larger bitch overall and longer cast, well off for bone, good colour, excellent hindquarters, went well.

3rd Soper's Caispern Winning Colours

LIMIT - 6 (3 abs)

1st McDonald's Roanjora Chianti JW - Typy bitch, well shaped head, nicely arched neck, good front assembly, well ribbed up, strong hindquarters, moved well, not in the best of coats today.

2nd Barry's Rustasha Rosa Kim - I liked her overall shape and she was very typy, not as good in front as 1, well ribbed up, correct hindquarters, went OK

3rd Soper's Caispern Winning Colours

OPEN -4 (1 abs)

1st Tattersall's Sh.Ch. Alanea Summer Cottage - What a stunning bitch, everything about her was correct today, her colour pearly white with deep red islands as it should be, her beautiful head and expression, arched neck, well laid shoulders, good front and rear angulation, strong topline, good width across upper thigh, in full coat and she moved well. What more could one ask. CC and BOB

2nd Ward's Sh.Ch. Ballakinnish Mischief Making Copperwhite JW - A good typy bitch, lovely head, not quite as good in shoulder placement as 1 or as clear in colour. Had excellent hind angulation and moved well. Good example of her breed and a worthy sh.ch.

3rd Barry's Shireoak Caramel Ice with Rustasha (imp).
