CRITIQUE

There were quite a few with level bites and I still think that feet could be better but I am sure this will improve over time.

Movement was acceptable in most, excellent in some, but there were also a few who did not move well. This was both in profile action and in going out and back. I found a few who moved closely behind, some pinning in front and there were a couple who were over-reaching in profile movement. All of the dogs were turned out beautifully.

PD (3)

1st: Cuddy's Taxus Golden Prince in Balbriggan, masculine head, well made neck, shoulders and forehand, excellent ribs and body. Good couplings and first thighs. Cheerful mover once into stride. Well presented in good coat and feather.

2nd: Jones' Alanea Royal Reward of Berryessa, well balanced youngster of good size and shape. Pleasing head and expression. Ears well set. Good bone. Ribs well sprung and deep.

3rd: Wade's Roanjora Teroldego.

PGD (5)

1st: McDonald's Roanjora Castelao, of good proportions and balance and best mover in this class. Masculine in head. Kind eye. Good reach of neck. Liked his depth and fill of chest. Topline firm. Correct turn of stifle and hocks, which are well let down. Very well presented.

2nd: Hart's Redmore Diamond Geezer mit Gilliegrae, good outline and nicely proportioned overall. Good depth to chest with plenty of heart room. Well muscled quarters he was happy on the move and clearly enjoying his day out.

3rd: Bayne's Corranroo Casper.

LD (3)

1st: Barry's Rustasha Golden Rapper, pleasing head and square in muzzle, lovely round eye, medium neck flowing into a good topline, straight front, correct oval bone, tight feet, moved well.

OD (6, 1 Abs)

1st: Lamb's Sh Ch/Ir Sh Ch Casafelice Montadale, this dog is true to breed type. Equal planes, good stop and muzzled. Reach of neck flowing into laid back shoulders with a level topline which he kept on the move. Solid throughout without being heavy. Moved with drive. CC & BOB

2nd: Wade's Caispern Roddy Owen at Oldestone, this man could take the top honours next time. Very well made, with good couplings and strong across the loin. Good type. RCC

3rd: Barney's & Howatson's Sh Ch Killary's Grand Venture with Vanders and Romaunt (Imp USA) JW

PB (4,1 Abs)

1st: McDonald's Roanjora Montepulciano, this is one to watch. Proper show lady. Excellent shape throughout for one so young, good angles, nice oval bone. Sweet expression, moved with drive. BP

2nd: Bloxham's Courtndown Sweet Pippin, another nice puppy in the making. In good coat, a little unsure of the wind which affected her movement.

3rd: Blackmore's Courtndown Star of Devon

PGB (4, 1 Abs)

1st: Pilmer's Anisbrig Kilkerran, good head, feminine but with enough width, long clean neck, good shoulder angulation and good depth of chest giving her plenty of heart room, well angulated. Good reach in front and extension behind.
