It was my immense pleasure and honour to judge the Breed Championship show, and I was thrilled with the entry that you gave me. It has been a long time since seeing all your beautiful dogs, and I thank you for attending. I thoroughly enjoyed my appointment.

Thank you and congratulations to the Committee, the show was run professionally and with great enthusiasm, Thanks to my Stewards, who were friendly and very helpful keeping me on my toes, helping to make it all run as smoothly as possible!

The dogs were presented to me in a clean, well turned out manner, very good body colour, good mouths, feet have improved immensely, only a few flat ones noticed. Nose colour varied; more pink, but that was in the minority. Some of the handling needs to be addressed, especially when stacking the front of the dogs; Movement on the whole was good, but handlers need to watch how their dog is moving; free flowing movement without being strung up is the best way forward. It was so good to see really very nice youngsters coming along, which bodes well for the future.

Veteran - Dog (3)

1st Bayne's Corranroo Casper

Beautiful, mature male of great quality, turned out to perfection, wonderful condition for his nearly nine years, no greying face! Soft expression in his head, with dark eyes, good head balance, strong neck, good shoulders, deep chest, with strength in his loin and width to his quarters. Well-muscled, a very fit and evenly balanced dog, strong topline

standing and on the move. Great coat, colour and markings. Lovely feet, and his movement was a delight to watch.
R.C.C. & BEST VETERAN IN SHOW.

2nd Wade's Caispern Roddy Owen At Oldestone

Slightly different in type to one, but very pleasing to the eye, excellent body proportions, strong and powerful, good bone, slightly greying in muzzle, good eye colour, gentle expression, moved out with drive and style by his handler.

3rd McDonald's; Roanjora Castelao JW ShCM

An old favourite of mine, just starting to show his age, but gave a wonderful performance all-round on the day.

Minor Puppy- Dog (1)

1st Hart's Gilliegrae Time T'shine

Shows a well-balanced outline, his head is well proportioned, having dark eye colour, good facial markings, and a correct ear set, on the move he was rather uncoordinated, and I would prefer a little more bone. But sure this will all come together as he matures. Handled well. RESERVE BEST PUPPY IN SHOW

Puppy – Dog

As above.

Junior - Dog (2, 1abs)

1st Losh's' Roanjora Rioja Garnacha

Still very much a baby, and at a 'wings & Legs' stage, nice to go over his well-proportioned body with good balance, great colour, appealing head, would prefer more bone at this stage, but sure it will all come together. Owner needs to keep calm to enable the dog to do the same!

Yearling - Dog (2)

1st Tait's Talintyre Winter Shadow

Very nice young man of quality, shown to perfection, masculine head, he has a great strong body, along with good bone and a well-balanced outline, short coupled dog, would prefer a better tail set, none the less has a bright future ahead of him I'm sure. Well handled.

2nd Green's Flores Henry Tudor by Vizaset

Lighter in frame than the winner, a dog that is going to take some time to come together. But, he has all the essentials to become a good all-rounder. Good colour and feet Moved well today.

2nd Mapletoft's Roanjora Tanqueray

A dog of great coat and colour, soft appealing expression, good bone and feet, does have strength in his body, and depth in his chest, felt firm to the touch, having good muscle tone behind. Would have liked to have seen him move out more, but enjoying his time out with his dad!

Post Graduate - Dog (1)

1st Catton & Cook's Daithi Shadow Dog with Ferngate (imp Pol)

A very nice young dog, of quality, good overall balance, I liked his head, neck and shoulders, great colour, moved OK, holding a firm topline, had strength in his body, but I would prefer tighter feet. The handler could move a little slower, as the dog became rather unbalanced whilst moving, which was then difficult to assess.

Limit - Dog (4,1Abs)

1st Green's Zendarric Heart Shaped Box with Viszaset

My 'Star of the day' A dog who was on 'Top Form' Shown to perfection, a great example of the breed, for type and quality. He has a good appealing head, with good proportions, and soft expression, strength in his long neck, leading into well placed shoulders. Depth to his chest with strong loins and wide quarters, well-muscled over all, felt so very good to go over. Good bone & feet. Great coat and condition and markings, lovely outline, moved freely around the ring with strong sound effortless movement. He was handled to perfection, very well done, CC & BOB & BIS.

2nd Tattersall's Carrick Shadow Dog at Alanea (imp Pol)

Smaller framed dog of a different type to one, but has a good all round frame and strength to his body. His head has good planes and eye colour is dark, with soft expression. He moved out well on good feet, holding his topline.

3rd Stevens' Corranroo Clooney of Annagh

Open - Dog (5)

1st Ward's Cornadore Argyle with Copperwhite (imp Pol)

I liked this dog, quite compact in his outline, but well balanced throughout. Loved his head and his bone, strength in all departments, moved with drive and purpose. Just carrying a tad too much weight for me today. Great presentation.

2nd Knox & Jankins' NED Ch Terne Des Coris Qalimero at Coolfin (imp Bel) JW NJK

Nice boy who has a good outline, his colour is deep and rich, lovely bone & substance, is a different type to one, but still has much to admire. Great on the move, I just preferred the type of one today. He is a smart young man who has all the essentials for a bright future.

3rd Ir Sh Ch Saidhbhin Mannix Point of Killora JUN CH JD CJW18

Beautifully presented dog, who possesses a strong outline, and good quality bone and substance, moved out well today, super coat markings and condition, but 'flew' his tail high on the move; none the less he gave a great show on the day, well done. Handled to perfection.

Special Beginners - Dog

1st Losh's Roanjora Rioja Garnacha

As Above.

Veteran - Bitch (4,1Abs)

1st Tattersall's Sh Ch Aleana Summer Cottage

As beautiful as ever, possesses a pretty head, soft melting expression, strong neck leading into gentle sloping shoulders, level topline, strong and deep chested, strength over her loins, and width in her quarters, well-muscled. Beautiful coat which was in great condition. Showed well, moved out with effortless drive.

2nd Hart's Sh. Ch. Gilliegrae Swift N'Chic

One I have done well for in the past. Matured bitch with good all round balance. Not really my type of head, but good eye colour, strong neck and firm topline, good bone, front and feet she has depth in her body and a good spring of rib. Turned out to perfection. Very sound on the move.

3rd Tong's Rustasha Raison D'Etire for Kellizlot

Minor Puppy - Bitch (2)

1st Jankins & Knox's Coolfin Ailbhe

showing lots of quality, being more mature and confident than 2 on the day. She has good bone and substance at this early stage. Gorgeous clear coat and markings. Neat feet, and she moved out well; very pretty.

2nd Gibson's Coolfin Aoife

Litter sister to the above and a raw puppy, super rich colouring moved happily, and took everything in her stride as one would expect at the beginning of her show life, I'm sure they will have a great time, once confidence and maturity comes along. Keep up the good work!

Puppy Bitch (5,2Abs)

1st Gardner's Charnborough Charisma of Dawnwish

Very mature for her age, possesses a great full coat, which is well marked, and shows a balanced outline on the stance. Pretty head sweet expression, already showing strength in her body, good bone and feet. She has good angled quarters, and moved with drive holding her topline on the move, very nice, girl to look out for in the future. BEST PUPPY IN SHOW.

2nd Burgess Settersay Scorcher Via Tymaran

Not as mature as one, very pretty, clear coated puppy, with great islands of red. Good outline, lighter in bone at this stage than one, but a confident baby standing and she moved out well. Sympathetically handled.

3rd Gibsons Coolfin Aoife

Junior Bitch (5,1Abs)

1st Hart's Berryessa Ballderg with Gilliegrae

What a 'stunner'! Gorgeous youngster, who took my attention as soon as she came into the ring! Her ring presence at this time is immense, and her outline faultless. She has a very pretty head of good proportions, dark melting expressive eyes, flowing neck into her level topline. Good front and shoulders, with depth in her chest already. Good feet, strong across the loins, and width over her quarters, lovely angulation in her rear with a great rounded bottom! She felt well-muscled throughout, and used all of these attributes to move around the ring on a free driving balanced gait. One for the top spots of the future I'm sure. Well done. RESERVE BITCH CC.

2nd McDonald's Roanjora Rioja Crianza

Another lovely bitch of quality, not as mature and slighter in bone & body than one right now, beautiful coat and colour & markings. Pretty head with a dark eye, good shoulder angulation, level topline, needs more depth in her chest and spring in ribs, rather long & straight in her stifle, but this may come in time. She moved out well with confidence.

3rd Newman's Taxus Summer Breeze

Yearling Bitch (3,1Abs)

1st Allen's Talintyre Winter Starlight At Killora

Attractive well coated bitch of strength and style. Head of good proportions, soft expression with dark eyes. She has strength in her chest, and overall her body felt firm to the touch. Nice angulation in her shoulders and quarters. Her clear-coat was well marked and presented in good order. Well-muscled. Moved out well. I liked her.

2nd McDonald's Roanjora Rioja Crianza

As above.

Novice Bitch (3,2Abs)

1st Hodgett's Alanea Obsession of Hodgehall

Very nice young lady, coming together in all departments. Pretty head, dark eye, good foreface, and planes to her head. Strength in her neck, good angulation in her shoulders and her rear. Starting to drop into her chest, felt firm across the loins, and rear end. Again another clear coated youngster, good marked coat, nice feet, shows quality and style. The handler needs to get her balanced on the stance, and not put her feet too far apart in front, and steady up on the move.

Graduate Bitch (1)

1st Hodgett's Alanea Obsession of Hodgehall

As above.

Post Graduate Bitch (4)

1st Tattersall's Alanea Silhouette

Another nice one from this kennel. Possesses a feminine head of good proportions, dark eyes, strong neck, she has a good forechest, nice bone and feet, depth in her chest strong loins, level topline and rounded quarters she has width to her thigh, and all of which were well muscled, good angulation throughout her body. She moved soundly on a free flowing gait, and loose lead coming and going. I liked her size. Turned out to perfection.

2nd O'Connor's Dalcross Dancing Queen with Caispern

A shorter coupled bitch than one, and not as tall, she has a pretty head, dark eyes, good neck and shoulders, rather heavy on the forehead, today, which showed in her movement. Her coat was full and had good feathering; I felt she needed to lose a few pounds.

3rd Newman's Spiralwood Summer Rose

4th Hargreave's Lanbro Kamino Sapphire to Forgeway

Limit Bitch (4)

I found this class to be very mixed in type.

1st Callaghan's Laoirebay Penny Lane

A three year old bitch, who I think still has some maturing to do. Good head and eye colour, strong in her neck, nice feet, with well boned legs. Good colour markings and feathering all through her body. Depth in her chest good spring of ribs, strength in her loins, bit 'dippy' in her topline today. She has width to her thigh, but I would prefer more angulations behind. Moved out on strong driving movement.

2nd Ward's Cornadore Bia Becomes Copperwhite (Imp Pol)

Very nice bitch of style and quality, but today I felt she was carrying too much weight overall. Shame! Still has a super outline, shorter coupled than one, and holds a firm topline, well balanced bitch in all departments, her weight just affected movement as her body was rolling around the ring.

3rd McDonald's Roanjora Montepulciano

4th Newman's Taxus Golden Sage

Open Bitch (4,1 withdrawn)

1st Walker's Sh Ch Zendarric It's a Kind Of Magic Within Wroxham JW

Cracking bitch of great breed type. In full maturity now, and filled my eye with her wonderful outline. I last judged her a few years ago, and boy has she made up since then! Her head is of good breed type, with a dark eye, and appealing expression. She has a grand front and great shoulder angulations, good bone and feet. Strength in her body which felt so good to go over. A Deep chested girl, with spring in her ribs, strength in her loins, and a nicely muscled rounded backend. Good angulations behind. Great presence and she used all of the above attributes to power around the ring on a free flowing powerful stride. I had no hesitation in awarding her BEST BITCH AND BEST OPPOSITE SEX. RESERVE BIS.

2nd Bayne's Sh Ch Corranroo Consort

A five year old bitch who also possesses good breed type. I was splitting hairs on the first two placings! Loved her head, soft gentle expression, she felt so good to go over her firm body. A well-muscled bitch and in excellent condition. Moved around the ring as one with her handler, demanding the attention she so greatly deserved. Great presentation and handling. Well done.
