I would like to thank Blackpool & District Canine Society for their kind invitation to judge Irish Red and White Setters.

A small but quality entry with some very nice exhibits to go over. The weather put a bit of a damper on things but I managed to complete dog judging before retiring to the wet weather tents. Thank you to my two stewards. I found a few light eyes and gay tails seem to also be creeping in.

Puppy Dog (2Ab)

Junior Dog (1)

1st Losh's Roanjora Garnacha

Nice young dog who was a bit rangy and needing some weight. He had a great shaped head and nice neck into good layback of shoulders. Topline sloped off a bit for me but he was being a bit naughty. Moved okay when settled.

Yearling Dog (2)

1st Tait's Talintyre Winter Shadow

Very smart young man and no wonder when I booked at his breeding. Loved his head, with lovely dark round eyes. Good neck, shoulders and topline. Good feet and moved well but a little close behind for me. Spoilt by his high tail. Lovely clear colours, overall a nice dog.

2nd Losh's Roanjora Garnacha

Post Graduate Dog (3,1)

1st Catton & Cook's Diathi Shadow Dog With Ferngate (Imp Pol)

Another with a correct head and round bold eye which could have been a shade darker. Great body shape with no exaggerations. Correct for weight and shown in lovely coat and condition. Good shoulders, neck and topline. Tailset was correct and stood square on well boned legs and feet. Moved well when he settled and only two years old so am sure he will make up to a really nice dog. Well deserved RCC.

2nd Titterton's Spyefire Reyt Bobby Dazzler

Close up but just preferred overall shape and size of my winner. Another with a correct head and eye shape. Good neck, topline and tailset. Moved out well.

Limit Dog (4,2)

1st Tattersall's Carrick Shadow Dog At Alanea (Imp Pol)

I have liked this dog from the first time I saw him. Beautiful, just my type of Red and White. Best head of the day with the darkest of round eyes, lovely square muzzle but not overdone. Enough length of neck into good shoulders and short strong topline, with a good tailset and bend of stifle.

Presented in immaculate condition, as always from this kennel, and most gorgeous colour. Moved sound and true but could have gone with more enthusiasm. I see he is the sire of my Best Puppy. Dog CC and BOB.

2nd Martin's Laoirebay Steel Blue Ocean At Shannonstyle

Another nice dog, who I liked a lot. Not the head and eye I was looking for but still good enough. Good topline and overall shape was nice, good mover but not in the condition of my winner.

Open Dog (5)

1st Gardner's Sh Ch Alanea Game Reserve With Danwish

Has matured into a very nice dog since I last judged him. He was in lovely condition and has a nice head and eye. Good shoulders and topline. He has good depth of chest and bend of stifle and moved steady and true. He was just a bit rangy in body shape for me, but a worthy Sh.Ch.

2nd Ward's Cornadore Argyle With Copperwhite (Imp Pol)

Preferred his head to my winner. Again correct round eye giving a bold expression. Good neck, shoulders and square body I was looking for, he was well turned out and in lovely condition and moved soundly and steadily. A nice dog.

3rd Cuddy's Sh Ch Taxus Golden Prince In Balbriggan JW

Puppy Bitch (2)

1st Gardner's Charnborough Charisma Of Danwish

What an absolute cracker. Very pretty head with round, dark, expressive eyes. Good neck, shoulders and topline. Great body shape with correct tailset and bend of stifle. Good bone and feet, moved well and lovely colour with rich red patches on a pearly white coat. Definitely one for the future and no hesitation in awarding her the Reserve CC. Well done!

2nd Jakins and Knox's Coolfin Ailbhe

Very raw 8 months pup, who was so unlucky to meet one in such good form. Not the maturity or finish of my winner but a nice pup with potential. She has a pretty head with nice eyes and a square muzzle, good topline and tailset a little low. Went well when she settled and well off for bone.

Junior Bitch (1)

1st Hart's – Berryessa Ballderg With Gilliegrae

Was very spooked at moving under we weather tents which didn't help her. Pretty head with a nice dark eye. Good neck and shoulders. Would prefer more bone and a little long cast for me. Not in her best coat but moved out well when she settled. Best Junior.

Post Graduate Bitch (3,1)

1st Tattersall's Alanea Silhouette

Another nice one from this kennel. Pretty head but not quite what I was looking for, good neck and topline, well set tail, carried a little high. Enough bone and stood square on good legs and feet. Moved out well. Beautifully presented and in tip top condition.

2nd Hargreaves' Ianbro Kamino Sapphire To Forgeway

Not the head I was looking for and built on smaller, finer lines. Quite pretty with a lot of red and in good condition. Moved well.

Limit Bitch 1

1st Ward's Cornadore Bia Becomes Copperwhite (Imp Pol)

Not the head for me, but she was quite pretty. She was presented in lovely coat and condition with a good topline and great body shape with good legs and feet. Moved well.

Open Bitch (2,1)

Two lovely bitches, both with lovely heads, dark round eyes and expressions.

1st Sherratt & Blackwell Sherratt's Sh Ch Alanea Holly Fern At Charnborough

My winner has a lovely square muzzle and darkest of eyes. Super length of neck and layback of shoulder. Good topline and correct tailset straight off her back. Enough bone and nice feet. Moved out with drive and purpose and great expression. Bitch CC, Dam of my Best Puppy.

2nd Tait's Sh Ch Lovenjoel Sleeping Beauty

I have always like this bitch and she was so unlucky to meet one today. She too has a lovely head and is a lovely square shape. She has good legs and feet and was in beautiful coat and condition. Couldn't match my winner for hind movement but a really lovely bitch.
