I would like to sincerely thank the Officers and Committee of the Irish Red and White Setter Club of GB, for inviting me to judge at their open show. It was such a privilege and an honour to be invited and I thoroughly enjoyed my day. I was made to feel very welcome and the hospitality was superb. The atmosphere was a happy one with everybody being friendly and all exhibitors congratulating one another. I was particularly impressed at the end of the show when the photos were being taken how everybody joined in, it was like a one big happy family. Special thanks also to the exhibitors for entering and bringing their lovely dogs. Not forgetting my two stewards who did a brilliant job of keeping everything running smoothly.

I think you all should be congratulated on the outstanding quality of the dogs all the way through from the very promising youngsters, to the very fit looking Veterans.

### **VETERAN DOG (2)**

#### **1<sup>st</sup> Bayne's Corranroo Casper**

At nearly 9 years old this dog certainly belies his age, he is so full of quality and breed type, Balanced in outline, good head, dark eye and the softest of expressions. Muscular neck leading into well shoulders, strong topline, good angulation, fore and aft, good muscletone in the hindquarters. He was presented in excellent condition, moved with drive holding his topline at all times. Best Dog, BOS & BV

7 year old dog and another one of good breed type, he had a super head and shape, soft expression, deep muscular body, strong in loin, strong hindquarters and good tail set, moved well but rear action not quite as positive as winner.

### **PUPPY DOG (1)**

#### **1<sup>st</sup> Hart's Gilliegrae Time T'Shine**

At nearly 10 months old he is still a real baby but has all the essentials there to see the great potential this

young man has. He has a super balanced outline, lovely head, eye and expression, correct body proportions for his age. Good angulation fore and aft, level topline, good bone, his feet still need to tighten, and he is a little loose in front on the move, but he has an excellent sidegait and is certainly one to watch in the future. RBPIS

#### **JUNIOR DOG(1, 1A)**

##### **1<sup>st</sup> Barney's Romaunt Lust For Life**

At nearly 18 months old this impressive young man is so full of quality and breed type. He is balanced in outline but it is when you go over him you really appreciate how everything just flows all through. He has the best of heads and expression with broad well-proportioned skull, dark eye giving a gentle expression. Strong neck which led to well laid back shoulder. Good depth to the forechest and well ribbed back, firm in loin and level topline. Good angulation fore and aft, overall, every part fits together harmoniously which reflected in his sound and true movement, I am sure he must have a bright future ahead.

#### **YEARLING DOG (1)**

##### **1<sup>st</sup> Tait's Talintyre Winter Shadow**

22 month old quality young man of lovely make and shape, masculine head with super expression, straight forelegs, strong bone and tight feet. Excellent forequarters with deep chest and well sprung ribs, level topline, muscular hindquarters, with developed 2<sup>nd</sup> thigh. He was presented in good coat and was very muscled throughout. The owner moved him a little too fast to begin with and he tended to throw his front, but when I asked her to move him a little steadier, he moved effortlessly with plenty of reach and drive.

Strong topline, well angulated hindquarters which are well muscled. He was presented in fabulous coat and condition, he just was not as sound on the move as winner. The owner later informed me that she had examined him and he had gravel from the car park stuck between his back toes, which had obviously been uncomfortable for him and had reflected in his movement.
