My thanks to the officers and committee for their kind invitation to judge at one of my favourite shows. I enjoyed my time in the ring judging my favourite breed, one I have been proud to be involved with for over 30 years. All dogs were presented in clean and tidy condition although some were carrying a little too much weight which did spoil their overall appearance and movement. The floor presented problems for some this year not having the usual green carpets in the ring left a few of the dogs I have admired from the ringside this year not moving to their best advantage.

I was very pleased with my winners in both dogs and bitches and was thrilled to see my Best of Breed pulled out to the final 8 in the well filled Gundog group, he looked stunning on the green carpet.

## **Minor Puppy Dog – (0)**

### **Puppy Dog (1)**

#### **1<sup>st</sup> Jakins' Coolfin Clancy**

Handsome masculine pup, good length to muzzle, rounded skull, gentle expression. Well arched neck leading into clean shoulders, well angulated front and rear, good depth to chest, lovely colour, gave his handler a hard time on the move, but was more settled in the challenge for BP, moving soundly with a good side gait, just pipping his sister to **Best Puppy in Breed**.

### **Junior Dog (1)**

#### **1<sup>st</sup> Hart's Gilliegre Time T' Shine**

Lovely profile on this young dog on the stack. Handsome head, eye and expression, nice arch of neck into smooth shoulders, good depth to chest, well rounded croup, coat of good colour and condition, needs to relax on the move, tends to pace at times.

### **Post Graduate Dog (6, 2 abs)**

#### **1<sup>st</sup> Taylor's Laoirebay Monte Carlo**

Smart boy of good shape and size. Lovely colour and in good condition, good spring to ribs carried well back, a little flat through the croup, moved soundly away and back. He can be his own worst enemy sometimes, but today he held it all together for his hard working owner.

#### **2<sup>nd</sup> Jakins' Coolfin I'm Taking Command**

Really liked this young dog, possesses a strong masculine head, nice arch to neck, good spring to rib, moved soundly on strong limbs. Needs to fill his frame a little more.

#### **3<sup>rd</sup> Ward's Laoirebay Glenmacnass From Copperwhite**

In good coat and condition, lovely clear colours, sound on the move not a big one and found him a little feminine in head.

### **Limit Dog (5)**

#### **1<sup>st</sup> Tattersall & Jones' Carrick Shadow Dog With Alanea (Imp.Pol)**

One I have done well for before. Presents a lovely outline, would just like more of him all over. Handsome head with a melting expression, correct eye shape and colour, rounded skull. In good coat and condition, nicely arched neck into

clean shoulders, well sprung ribs, deep through the chest, stands on neat feet and strong boned limbs, moved soundly fore and aft using his tail well on the move. **Reserve Challenge Certificate.**

**2<sup>nd</sup> Tait's Talinintyre Winter Shadow**

Strong well made boy of excellent make and shape, super colour and in good coat and condition. Good length to foreface, well rounded skull, clean through neck and shoulders, well sprung ribs, moved soundly on a good length of stride.

**3<sup>rd</sup> Stevens' Corronroo Clooney Of Annagh**

Well made handsome boy in good coat and condition, movement ok, he's got all the essentials, just not giving of his best today.

**Open Dog (5)**

**1<sup>st</sup> Ward's Sh.Ch. Cornadore Argyle With Copperwhite**

Another I have done well for before, and today saw nothing that would change my previous opinion of him. Super head, correct length to muzzle, rounded skull, arched neck leading into correct shoulders, lovely front angulation, deep chest, well sprung ribs, level topline, well set and carried tail, good bend to stifle, well muscled and super sound on the move, in great coat of correct colour, standing on well boned limbs and tight neat feet. Loved him. **Challenge**

**Certificate and Best of Breed. Short listed in the Gundog Group**

**2<sup>nd</sup> Gardner's Sh.Ch. Alanea Game Reserve With Danwish**

Another I have done well for before. Handsome male, lovely head, eye and expression, well built throughout, strong bone, well muscled, excels in side profile movement, just not putting it all in the away and back.

**3<sup>rd</sup> Jakins' N.Ch. Terne Des Coris Qalimero At Coolfin JW (Imp Bel)**

Strong well made boy of lovely breed type. Coat of good colour and condition, sound on the move and covering his ground well on an even stride. Feel there is more to come from this young dog.

**Veteran Dog (2)**

**1<sup>st</sup> Bayne's Corranroo Casper**

In excellent coat and condition, belying his age on the move. Correct length to muzzle, rounded skull, nice arch into clean shoulders, deep in chest with well sprung ribs, level topline, well muscled, sound on the move. **Best Veteran in Breed.**

**2<sup>nd</sup> Birch & West's Sh.Ch. Corranroo Camero At Hitides**

A favourite of mine, just into veteran, handsome lad with a correct length to muzzle, rounded skull, good shoulder placement, well sprung ribs, good colour, in good coat, happy mover, just carrying too much weight at the moment.

**Minor Puppy Bitch** – No entries

### **Puppy Bitch (1)**

#### **1<sup>st</sup> Jakins's Coolfin Ailbhe**

Lovely youngster, beautiful head, neck and shoulders, well angulated front and rear, would like more width to thigh but this could improve as she matures. Needs to settle in her movement but sound coming and going away. In the challenge for Best Puppy I just preferred her more mature brother on the day.

### **Junior Bitch (3)**

#### **1<sup>st</sup> Gardner's Charnborough Charisma Of Danwish**

Pretty young lady in good coat of lovely colour and condition, lovely spring to ribs, short coupled, level topline, good tail set, well-muscled, sound and happy on the move just moving a little close behind today.

#### **2<sup>nd</sup> Griffin's Settersay Heatwave**

Pretty girl, lacking a little in depth of chest, but she's only young with time on her side to improve. Good coat and in good condition, lovely colour happy and sound on the move.

#### **3<sup>rd</sup> Brooke's Drumlace Shadow In Earnest (IKC)**

Pretty youngster, good colour, coat and condition, sound in all departments just lacking a little animation on the move.

### **Post Graduate Bitch (5)**

#### **1<sup>st</sup> Hutchinson's Siorrudh Red Velvet**

Lovely headed bitch with a melting expression, arched neck leading into clean shoulders, good depth to chest, well sprung ribs, level topline, short coupled, tail set well on, well muscled, in lovely coat and condition of good colour, moved sound and true both ways, seriously considered her for the Reserve Challenge Certificate.

#### **2<sup>nd</sup> Hodgetts' Alanea Obsession Of Hodgehall**

A favourite of mine. Has all of the above attributes, I just wish she had been more animated on the move today.

#### **3<sup>rd</sup> Hart's Berryessa Ballderg With Gilliegrae**

Well balanced young lady with a lot to like. Pretty feminine head, arched neck into clean shoulders, deep chest, good spring to ribs, level topline, lovely coat and condition, moved sound and true.

### **Limit Bitch (2)**

#### **1<sup>st</sup> McDonald's Roanjora Rioja Crianza**

Gorgeous feminine head on this young bitch. Correct length to foreface, correct eye shape and colour, arched neck into clean shoulders, ribs well sprung, level topline, well muscled, straight front but would like a touch more bend to stifle,

lovely colour, but lacking in coat today, powerful mover and sound fore and aft, another in the mix for the Reserve Challenge Certificate.

**2<sup>nd</sup> Henson's Ianbro Crellian Calypso Tatsbro**

Well constructed pretty girl with a lovely expression, colour and coat condition very good, good angulations front and rear, sound on the move, but, carrying too much weight today.

**Open Bitch (3, 1 abs)**

**1<sup>st</sup> Wade's Oldestone Charlie's Angel**

I have admired this very pretty girl since she was a 4 month old puppy and it was a pleasure to finally get my hands on her. Correct length to foreface with a melting expression, good width to skull, arched neck into well placed shoulders, good depth to chest, well sprung ribs, short coupled, super angulation front and rear, in excellent coat and condition, moving so sound and true holding her topline level. It was my great pleasure to award her the **Challenge Certificate her third.**

**2<sup>nd</sup> Barney's Romaunt Ain't Life Grand**

Nothing overdone on this super sound girl. Correct head, arched neck into well placed shoulders, excellent spring to ribs, well set and carried tail, Super sound on the move, just needs some coat to finish the overall picture. **Reserve Challenge Certificate.**
