Thank you to the committee for the very kind invitation to judge the Open Show and also to my two stewards who kept the ring running smoothly. I would also like to thank the exhibitors who entered under me. It was a warm and friendly atmosphere and an extremely well-run show.

Veteran Dog (3, 1Ab)

1st Bayne's Corranroo Casper: Beautifully presented 9 year old male of correct size and totally balanced in outline. Masculine head that is clean, with correct ear set and lovely dark eye and super expression, strong moderately arched neck into well laid shoulders. Level topline, excellent body proportions, muscular hindquarters correct angulation fore and aft, Presented in super coat and condition. Moved very sound and plenty of drive. Best Veteran

2nd Hart's Redmore Diamond Geezer Mit Gilliegrae: Nearly 8 years old slightly longer cast than winner, masculine head with a kind expression, strong muscular neck, good bone, tended to drop his topline at times. Well muscled throughout and strong quarters. Moved well

Puppy Dog - No Entries

Junior Dog (3)

1st Jakins's Coolfin Clancy: At just 13 months old this young dog is of excellent make and shape, super masculine head of good proportions, kind quizzical expression which I found very appealing. Good reach of neck into well placed shoulder, correct amount of body proportions developing nicely for his age, strong bone and neat feet. He moves on such an easy gait with plenty of reach and drive using the ring to his advantage. Reserve Best Dog and RBIS

2nd Cornwall & Licence's Settersay Tornado: 17 month old young man, built on larger lines than winner, pleasing head and expression, good coat and condition coat, well muscled throughout, was just a little unsettled on the move and was giving his handler a hard time.

3rd Sayer's Settersay Thunder

Yearling Dog (1)

1st Hart's Gilliegrae TimeT'Shine: 15 month old young dog who is still at that teenage stage, balanced in outline, pleasing head and expression, strong neck into well placed shoulders, balanced quarters fore and aft, level topline, presented in good musculature and excellent coat and condition. He tended to be erratic on the move which cost him top honours.

Graduate Dog - No Entries

Post Graduate Dog (3)

1st Humphries's Spyefire Secret Agent: 4 year old strongly built mature male, strong masculine head of correct proportions with correct ear placement. Strong clean neck of good length into well laid shoulder. Good width and depth to his chest. Good topline, correct tail set, good width of muscled thigh. Plenty of rear angulation, presented in good coat and condition. Moved well.

2nd Maplett's Roanjora Tanqueray: At nearly 4 years old he is a well made dog with overall balance and of good breed type. Pleasing head and soft expression, strong muscular neck into good forequarters, excellent body proportions, good topline, muscular hindquarters and correct tail set. Another one who was giving his handler a hard time.

3rd Griffin's Laoirebay Winter Promise: handled by Mrs K Lewis

Open Dog (5.2)

1st Ward's Cornadore Argyle With Copperwhite (Imp Pol): A mature boy who is so well built throughout. He has a balanced outline and is full of breed type. Really liked his head and expression, it is correctly proportioned with correctly placed ear set. Strong and good reach of neck into well laid shoulders, excellent forequarters with plenty of heart and lung room. Good bone and feet, strong level topline correct tail set, muscular hindquarters which he uses to cover the ground with plenty of drive and is true both coming and going. He was presented in excellent musculature and super coat and condition. I had no hesitation in awarding him Best Dog and Best in Show.

2nd Mapletoft's Roanjora Tanqueray: Repeat Post Graduate

Junior Bitch (3,1)

1st Sayer's Settersay Snowstorm: Litter sisters stood here and at different stages of maturity, my winner at 17 months is pleasing in breed type. nice size and with typical body shape and proportions, good rib, good colour and markings, firm loin, well set and carried tail, moved well.

2nd Griffin's Settersay Heatwave: Rangier and longer cast than her sister, she has a happy and outgoing temperament, and at times was quite a handful for her handler. Very active on the move.

Yearling Bitch (1)

1st Griffin's Settersay Heatwave: Repeat 2nd Junior

Graduate Bitch (2,1)

1st Burgess's Settersay Scorcher Via Tymaran: 17 month old young lady and litter sister to both my juniors, she is further on in maturity and I really liked her. She is beautifully bodied for her age and is a nice overall shape with a balanced outline. Feminine head with a soft and gentle expression from lovely dark round eyes. Straight forelegs with good quality bone, shoulders well laid and elbows tight in, well sprung ribcage. Firm topline, good width of thigh with developed 2nd thigh. Good angulation fore and aft, she is very sound on the move displaying a happy and confident temperament. Best Bitch and Best Opposite Sex in Show

Presented in super clean coat and condition, moved well.

Open Bitch (2)
