Many sincere thanks to the Officers and Committee for the kind invitation to judge Irish Red and White Setters at this Show, It really seemed to be a success and congratulations must go to all the Committee for the superb organization on the day despite the Covid regulations and the weather. My thanks must also go to my two super efficient stewards, whose names I have unfortunately mislaid, for their assistance in keeping the ring running smoothly.

Junior Dog (2)

1st Jakins's Coolfin Clancy. 12 months old Possesses a decent masculine head with correct planes, expressive eye of correct shape and colour, neat earset, ample stop and good finish to his muzzle. Arched neck flowing into well laid back shoulders and showing good front angulation if perhaps a little wide. Well off for bone with good tight feet. Pleasing outline. Movement was a little erratic at times as he tended to pace on initial set off but when settled in his stride moved sound fore and aft and completed the picture with a good tail action.

2nd Cornwall & Licence's Settersay Tornado. Very raw 16 month old seemingly immature youngster, when compared to the winner. Today disappointingly he was just not settled and consequently did not give of his best. Nevertheless, displayed excellent breed type with a good head, lovely eye and adequate stop. Good clean outline and correctly set on tail. Shown in good coat condition. Today he just lacked confidence with his surroundings, more schooling would be to his and his handlers advantage in order to help display his obvious qualities.

Post Graduate Dog (1)

1st Mapletoff's Roanjora Tanqueray. Heavier type of dog. Owns a typically masculine head with good expression, good eye shape and colour, and sufficient stop. A better finish to his muzzle would have been desirable. Neatly set on ears. Well arched neck of moderate length and extremely good body properties, finishing with correctly set on tail. Well off for bone. Good angulation both fore and aft. Movement was erratic as he was not in harmony with his handler, in fact at times it was difficult to determine who was taking who around the ring.

Open Dog (5)

1st Ward's Comadore Argyle With Copperwhite (Imp Pol). Mature 6 year old male exhibiting excellent breed type. Possesses a definitely masculine head yet without any coarseness. Correct eye colour and sufficient stop. Ears set level with his eye. Arched neck

leading into well laid shoulders. Good upper arm. Well off for bone with ample spring of rib, very well muscled throughout and with strong powerful hindquarters. Shown in excellent coat in both colour and condition today. Presented a clean and balanced elegant profile. Moved effortlessly with good forward reach and powerful hind action. My BEST DOG and eventually declared BEST OF BREED.

2nd Catton & Cook's Daithi Shadow Dog With Ferngate (Imp Pol). Although a relative youngster at 3 years old was not overawed by the competition in this class. Another super specimen of lovely size and proportions, looking completely balanced in profile when stood. Owns a handsome head of correct proportions, which I did in fact prefer to the head of my eventual winner of this class, good eye shape and colour. Good reach of neck flowing into well laid shoulders. Correct front construction. Adequate angulation both front and rear. Presented an elegant outline which he maintained on the move. Well off for bone. Moved well with drive. Well deserved RESERVE BEST DOG.

3rd Stevens's Corranroo Clooney Of Annagh

Special Beginners Dog (1)

1st Cornwall & Licence's Settersay Tomado

Junior Bitch (2)

1st Gardner's Charnborough Charisma Of Danwish. Impressive youngster who owns a delightful feminine head of correct proportions, a dark expressive eye of good shape, neat earset, ample stop and good finish to muzzle. Arched neck flowing into well laid shoulders combined with correct front angulation. Good spring of rib and well muscled hindquarters. Well off for bone and neat feet. Movement was true both coming and going, a lovely tail action completing the picture. Pressed hard for Best Bitch but had to give way to the maturity of the Open Class winner. Without doubt a credit to her breeder and one for the future. RESERVE BEST BITCH.

2nd Sayer's Settersay Snowstorm. Unlucky to meet the winner of this class on such good form. Nevertheless a quality bitch with lots to like about her. Possesses an appealing head of correct proportions with lovely eye of good shape and colour. Good reach of neck set into well laid back shoulders. Adequate angulation both front and rear. Good outline which she maintained on the move. Moved out well around the ring. Shown in good coat and condition.

Post Graduate Bitch (2)

1st Hutchison's Siorudh Red Velvet. Heavier type of bitch yet still a lovely example to go over. Owns a feminine head with a sweet expression, dark expressive eye, sufficient stop and neat well set on ears. Arched neck of moderate length and extremely good body properties, finishing with a well set on tail. Looked a balanced picture when standing. Moved well in unison with her handler if perhaps a little ponderously, perhaps the loss of some excess weight would be to of advantage.

2nd Ward's Laoirebay Glenashleagh From Copperwhite. Unfortunately it was very difficult to assess this bitch adequately without causing her additional stress due to being extremely frightened of the occasion. Possessed a decent head of good proportions, correct eye shape and colour. Clean profile. Movement was impossible to assess.

Open Bitch (3,1)

1st Barney's Sh. Ch. Romaunt Carry On Regardless With Verrami. Super quality mature bitch that exuded breed type. Owns a delightful feminine head of correct proportions, good eye colour and shape. Ears set level with her eye. Slightly arched muscular neck leading into well laid shoulders. Super spring of rib, strong in loin, very well muscled and with a good turn of stifle. Super profile. Shown in excellent coat in both colour and condition. Moved effortlessly around the ring as if she owned it, and today she did. Delighted to award her BEST BITCH.

2nd McDonald's Roanjora Rioja Crianza. A quality bitch, has a pretty head of correct proportions with a gentle expression, decent eye shape and colour. Well developed body proportions. Neck of moderate length flowing into well laid back shoulders. Good ribs, strong loin, well muscled throughout. Decent outline. Moved soundly.
