1st Roanjora Montepulciano - Mr R & Mrs AD McDonald & Miss R McDonald

---

It was a lovely invitation from the Club to judge this elegant breed, a breed that I have been involved with from the first time the breed came into the Country. The breed is in a good place and the exhibitors seem to be a friendly lot, it was so nice to hear the applause given to each class winner. I was surprised to find a few youngsters needing more body substance and better bone density. The condition and presentation, on the whole, were very good. Side stride was good in the majority of the breed as was the soundness with reach and drive. I was very lucky to have three stewards who were at the top of their game because of the incorrect Judging book numbering, I thank Terry Hargreaves, Diane and John Jones.

### **Veteran Dog (2)**

**1<sup>st</sup> Walker's Ballakinnish Malachi At Oldstone.** For his 11.5 years this dog has a fantastic side stride and a very sound forward reach and powerful drive this is because he is so well constructed. Lovely marked, masculine head of correct width with good ear set, still has dark expressive eyes. Having good dentition. Good clean neck, firm level back line to his well set on tail. Well angulated front and rear. Lovely body well ribbed back with good depth well presented in clean pearl white and red patch jacket with nice feathering. Good legs and feet.

**2<sup>nd</sup> Taylor's Laoirebay Midnight Drifter.** Good looking 8 year old. Nice head shape, eye colour could be darker, nice ear set giving a good expression. Holds head well on nice neck into good shoulders and a firm level backline with correctly set on tail. Lacking a little in front angulation to upper arm, good chest depth. Nicely bodied, ribbed back and well coated not as clear pearl white as my winner. Stands a little out in the elbow on well boned legs and feet. Moved out well just lacking in the positive drive.

### **Minor Puppy Dog (2)**

**1<sup>st</sup> Tattersall's Alanea Mirror Image.** Just a baby but with lots of promise. He is the son of my veteran winner. I see where he gets his build and movement from. Loved his head shape, correct skull, lovely expression from his dark eyes. Enough neck clean throat well laid shoulders into level backline and well set on tail with feathering coming. Good depth to chest and body with ribs well back, super substance for his age and lovely presented clean pearl white jacket with patching. Well angulated front and rear quarters, correctly boned legs and nice tight feet. Moved out with style covering the ground well and quite sound. BPD BPiS

**2<sup>nd</sup> Jakins' Coolfin Murchard.** This 6.5 month old pup was not as mature as my winner, of good type with a nice outline but slightly longer cast. Good head shape skull showing occiput protrusion, lighter in eye. Good neck length into shoulder, firm backline to tail. Would like better front angulation nice body just needing more depth. Good return of stifle. Heavily marked red blanket with white jacket. Good boned legs and feet sound mover but running close.

### **Puppy Dog (1)**

**1<sup>st</sup> Alanea Mirror Image.**

### **Junior Dog No Entries**

### **Yearling Dog (1)**

**1<sup>st</sup> Jakin's Coolfin Clancy.** Very smart 18 months boy with a lovely breed type outline looks good on the stack and shown a lovely conditioned and well presented pearl white coat

limited ticking nice rich red patches. Masculine head with correct skull and foreface, lovely eye colour and kind look, well placed ears, good muzzle. Good carriage on long clean neck well laid back shoulders, firm level backline to well set on tail. Nicely angulated front with depth to chest, elbows in on straight well boned legs. Good deep body well ribbed back nice loin, muscular hindquarters, let down hocks. Excels inside stride and sound coming and going.

### **Novice Dog** No Entries

#### **Graduate Dog (2)**

**1<sup>st</sup> Barney's Romaunt Lust For Life.** Another dog sired by my veteran winner and producing another type dog. Correct outline and size with good overall balance. Very smart looking masculine dog with well moulded head, flat skull, well set ear. Good dark eyes with nice shape and kind look, nose needs to fill-in. Proud head carriage on a good length of clean neck, well laid-back shoulders, firm backline to tail, would like less slope to his top line on the stance. Good angle and upper arm to his forequarters, straight well boned legs, tight feet. Well bodied with sprung back ribs and short loin. Muscular hindquarters moderate return of stifle. Very impressive coat, flashy pearl white and patched coat enough feathering. Bit of a character on the move but once settled moved out freely with lovely stride, sound reach and powerful drive.

**2<sup>nd</sup> Green's Flores Henry Tudor By Vizaset.** Presents a nice outline on the stance being correctly balanced. For me, this young dog is lacking in his head proportions and development is too fine. Kind dark eyes. Narrow fore face. Good neck to shoulder into a level back and well set on tail. Would like more front angle and depth to chest. Good body well ribbed and coated, well presented clean pearl white with patches. Good rear end with moderate bend of stifle. Straight boned legs and tight feet. Moved out with sound front action but lacked the side stride and was close behind.

### **Post Graduate Dog** No Entries

#### **Limit Dog (5,1)**

**1<sup>st</sup> Tait's Talintyre Winter Shadow.** There were a few stars on the day but this young male stood out as my leading star, I thought he fitted the standard very well and was all I was looking for. It was nice to learn at the end of judging that he had just gained his title. Good strength to his broad skull and well shaped head, nice ear set, dark alert expressive eyes, correct dentition. Proud head carriage on good length of neck with clean throat, very straight back line to well furnished tail. Nice shoulder and upper arm angle good depth and width of chest, elbows in on straight correctly balanced and boned legs and tight feet. Great body well ribbed back, having plenty of substance and depth covered in a quality coat of pearl white and rich red patches, with nice feathering. Broad rump, muscular hindquarters with good bend of stifle. Powerful mover with super side stride and very sound forward reach and drive. So good to watch on the move with such style as he strode around the ring. DCC BOB BIS

**2<sup>nd</sup> Stevens & Turner's Corranroo Clooney Of Annagh** A royally bred dog from this talented kennel. A male of similar type and build but being more mature at 6 years old fully developed and well muscled, has a slightly different head shape and not as broad as my winner, flat clean skull slight stop. Kind, dark eyes and well placed ears. Lovely clean throat on a good neck set well into laid back shoulders, firm level back and correctly rooted tail carried with full feathering. Lovely tone and body substance with ribs well back to a short loin. Well angulated front and rear with good straight well boned legs and tight feet. Presented in lovely condition with a pearl white coat with patches slight wave and limited ticks. Once settled moved with nice side stride and sound coming and going

**3<sup>rd</sup> Cook & Catton's Daithi Shadow Dog With Ferngate**

## **Open Dog (7)**

**1<sup>st</sup> Tattersall's Sh. Ch Carrick Shadow Dog With Alanea** Very similar in shape and style than my CC winner just a little more mature and heavier in build. Loved this dog's outline and the balance on the stance. Smart masculine well constructed head, nice kind dark eyes. Strong fore face, good dentition. Good length of neck would like a cleaner throat. Well laid back shoulders, firm level well muscled back, good set on tail nicely feathered. Well sprung back rib cage with short loin, deep body with good tone. Presented in a lovely flashy clean pearl white coat with red patches, enough finish. Well boned and balanced legs and tight feet. Very sound stylish mover with good side stride. Like my CC winner lovely to watch as he moves around the ring RCC.

**2<sup>nd</sup> Cuddys' Sh.Ch Taxus Golden Prince In Balbriggan.** Was delighted to see this dog here today as a youngster I gave him the RCC. For me, I can see he has grown well and matured into an impressive adult. Lovely masculine type breed head with slightly domed skull, well positioned ears, kind dark eyes. Holds head well on long neck into well laid back shoulders, firm level backline and well rooted tail carried well and used happily. Good body depth well ribbed just a little longer cast than my winner. Well presented coat with correct pearl white with patches of red, nicely feathered. Lovely, angled front and rear with balanced legs and feet. Sound mover with lovely stride totally free action.

**3<sup>rd</sup> Jakin's Dutch Ch.Bel Ch.LuxCh Terme Des Coris Qalimero At Coolfin (Imp Bel)**

## **Special Field Trial Dog (1)**

**1<sup>st</sup> Flores Henry Tudor By Vizaset**

## **Veteran Bitch (3,2)**

**1<sup>st</sup> McDonald's Roanjora Montepulciano.** Just 7 year old and looking and feeling very fit, very nice to go over. I would have liked a little more weight to complete the picture. Attractive head well moulded, nice dark expressive alert eyes well held and positioned ears. Good neck length clean throat, good shoulder placement, firm back line and well set on and carried tail. Good front angle well ribbed back body and short loin. Enough depth, elbows in. Straight boned legs and feet, good hindquarters. Pretty red patches on a pearl white background. Sound front and rear would have liked a stronger side stride. BVB RBVIS

## **Minorr Puppy Bitch (1)**

**1<sup>st</sup> Tattersall's Alanea Savannah.** Love the name of this girl just seemed to suit her. Sweet feminine well developed head, giving a lovely expression from kind dark round eyes, good stop, well set ears. Good jaw. Slightly arched moderately long neck into well laid back shoulders, nice upper arm angulation elbows in on straight forelegs. Well bodied for one so young with good depth well ribbed back. Well marked flashy pearl white coat with limited patches of red. Well developed hindquarters and stifle and short hocks, feet could be tighter but has time as she grows. Very sound mover once settled down to the job but just a baby nice happy tail well carried. BPB BOS.

## **Puppy Bitch (1)**

**1<sup>st</sup> Tattersall's Alanea Savannah**

## **Junior Bitch No Entries**

## **Yearling Bitch (4,2)**

**1<sup>st</sup> Gardner's Sh. Ch Chamborough Charisma Of Danwish JW.** Delighted to give this lovely bitch the RCC only to learn that she had already, understandably gained her title. Certainly a standout from the crowd with the most beautiful athletic outline on the stance and so very nice to go over and finally she moves with an effortless easy gait, so free and so sound. Beautiful shape to her well constructed head, lovely neck and top line, super

body with depth and substance. Lovely angles that gave her movement. Very similar in shape and build as my CC winner both having this clean outline, presented in such correctly marked, white and patched jacket with lovely texture and feathering.

**2<sup>nd</sup> Gibson's Coolfin Aoife.** Slightly small but nicely put together youngster, feminine correctly built head, just a little occipital showing in her skull, correct dark eyes. Good moderately long neck with shape into laid back shoulders I would have liked more depth of chest, nice straight legs needing more bone, nice feet. Firm back over enough body, well presented coat heavily marked in red with white. Correct rear end movement but was a little wild and unsettled.

### **Novice Bitch (3)**

**1<sup>st</sup> Sorry No Name Given Of Owners' Taxus Summer Breeze.** Very pretty bitch of nice size and correct balance. Feminine head of nice shape just would like little more strength, lovely dark expressive eyes. Very nice shape with firm level back line, body with correct angles both ends, good chest and body depth, well ribbed back with nice tuck. Beautifully conditioned and presented White pearl jacket with nice red patches, lovely feathering. Straight balanced legs with enough bone and feet that could be tighter, very elegant free mover with sound action front and rear.

**2<sup>nd</sup> Jackson's Taxus Rising Spring** Slightly taller and long cast, losing that balance of my winner. Nice shape to her head with a feminine look, good slight arching to her good neck, nice shoulder and firm level back line to a nice tail. Well bodied with correct angles both ends, sprung ribs needing to be further back but with nice tuck. Beautiful condition to her particoloured coat with correct markings, well feathered. Moved out freely but not the effortless side gait of my 1<sup>st</sup>.

**3<sup>rd</sup> Gibson's Coolfin Aoife**

### **Graduate Bitch No Entries**

### **Post Graduate Bitch (9,1) Very Nice Class Some Going Cardless**

**1<sup>st</sup> Harts' Berryessa Ballderg With Gillegrae.** Impressive on the stack and works so well with her handler. When going over felt this a nicely built youngster with everything in the right place. A different type than I finally chose and more on the style my dog CC winner, although nothing masculine or coarse about her. Lovely pretty broad head, nice stop, kind alert dark eyes. Ears set low. Hold head proud on slightly arched long neck well laid back shoulders and firm level backline to well set on tail nicely used. So well bodied with sprung back ribs short coupled and nice tuck. Very attractive white pearl coat with red patches with good feathering. Correctly angulated front and rear with elbows in on straight well boned legs with compact tight feet. Moved out with style but needs to settle as it spoils her action. She offers so much and I can see her doing well in the future.

**2<sup>nd</sup> Tatterall's Alanea Silhouette.** Very attractive 3 year-old with a nice balanced body who again works well with her handler. Nice shape to this feminine bitches head although I would like a little more stop. Dark alert round eyes well set on ears. Square muzzle. Proud head carriage on a neck with slight arching. Shoulders well laid back and a firm strong level back and well rooted tail. Nicely angulated front and rear quarters, chest and body with good tone and substance and depth, beautifully presented coat with lovely texture with correct patches on pearl white. Moved out well sound forward reach, just a little close behind.

**3<sup>rd</sup> Henson's Isleen Shadowdog At Tatsbro (Imp Pol)**

### **Limit Bitch (7)**

**1<sup>st</sup> Tait's Talintyre Winter Spice.** Very nice bitch and I read she is the full litter sister to my DCC winner and similar in type to the PGB winner and these 2 stood together gave me 'food for thought' when it came to the challenge. Very balanced athletic looking on the stance being of good size very attractive on the stance with a well conditioned and excellent textured coat of correct pearl white background with nice red patch markings

with lovely coat feathering. Well worked balanced head nice rounded skull would like little more stop, low set ears and dark round eyes. head carriage good on a slightly arched moderate neck. Substance and depth to her body well ribbed back. Correctly angled front and rear, elbows in on straight well boned legs and tight feet. Muscular hindquarters with good bend of stifle. Nice feet. Lovely powerful side stride, sorry to see her moving a little close front and rear.

**2<sup>nd</sup> Lyus' Lovenjoel Brave At Heart.** Another very attractive bitch on the stance and being of nice size and shape. Nicely built head with good breadth, nice eye shape and colour, correct set ears. Good length of the neck to well laid shoulders, broad level back to her rooted tail with feathering. Correct angulation front and rear, body so well developed with ribs well sprung. Straight well boned legs and tight feet. A nicely marked and textured coat would have liked a little better presentation. Very stylish mover with excellent side stride and free sound mover front and rear.

**3<sup>rd</sup> Mcdonald's Roanjora Rioja Crianza**

### **Open Bitch (6)**

**1<sup>st</sup> Walker's Sh.Ch. Zendaric It's A Kind Of Magic With Wroxham JW** Headed a lovely class, all of whom pulled out the stops and were in super condition. This beautiful bitch stood out for her breed type and construction, having a great outline on the stack, and worked so well with three different handlers. A beautiful head having style and femininity, a melting expression from those dark round eyes and her neat set ears, good stop to muzzle. Proud head carriage on a muscular slightly arched neck, well laid back shoulders with nice upper arm angle, elbows in on straight boned forelegs and tight feet. Super body with a delightful look to a correctly marked coat with nice feathering. Sprung ribbed back with short loin and slight tuck up. Lovely depth and width to chest, hindquarters well muscled and with good return of stifle. Stunning mover with great side stride. Holding her topline as she strode around the ring. Happy tail carriage. BCC BOS RESBIS

**2<sup>nd</sup> Tait's Sh.Ch. Lovenjoel Sleeping Beauty.** Another stylish feminine lady who stood out for the quality of the breed, having a lovely outline. Very stylish head well constructed, correct skull, nice stop to muzzle. Dark kind round eyes. Moderate well muscled arched neck into well laid back shoulders, level firm back line held on the move, with a well carried and feathered tail. Mature body with substance and depth well sprung back ribs. Lovely textured and presented coat so correctly marked. Lovely angulation front and rear with lovely legs and feet, sorry to see her moving close both at front and rear but with a great side gait.

**3<sup>rd</sup> Barney's Sh.Ch. Romaunt Carry On Regardless With Verrami**

### **Special Field Trial Bitch (1)**

**1<sup>st</sup> Sherratt & Blackwell Sherratt's Sh.Ch. Alanea Holly Fern At Charnborough.** Another stylish quality bitch who was 4<sup>th</sup> in the lovely open bitch class. Sweet look to this well developed head with nice round dark eyes. Moderate neck, well laid back shoulders,
