Firstly my thanks to my very helpful stewards, as an entry of only two exhibits isn't easy.

Open Dog (1)

1st Collins's Sh. Ch. Romaunt Bloomin Grand at Forestpoint: A mature masculine dog with an attractive typical head. He was very overweight which spoilt his outline. He moved correctly but was very close behind and had large splayed feet. His coat was good with clear red and white patches and he had a firm topline. He presented as an elderly dog due to the extra weight. BOB.

Open Bitch (1)

1st Macdonald's Roanjora Rioja Crianza: A young promising bitch with good front and rear angulations. She has a typical feminine head with well set ears and a gentle expression. Excellent lay of shoulder, very slightly high behind at the moment, but this should change with maturity, as should the spring of ribs. She has a typical coat with clear red and white patches. She moved fluidly on good neat feet. She pressed hard for BOB and only lost out on maturity. She should win well when she matures in body. She was shown to advantage by a friend of the owner, who was showing another breed.
