I would just like to thank the IRWS Club of GB for allowing me the honour of Judging at their open show, it goes without saying that I feel really privileged to be asked. And to all the exhibitors that allowed me to make judgement of their wonderful dogs Thank You for that honour too!!!

Veteran Dog (2)

1. [Bayne's- Corranroo Casper](#). Lovely oldie so very much to type with a good overall outline, head of good plains and in proportion, nicely domed and showing a good stop, eye round and of good dark colour, ears set level with eyes, shoulders well laid back giving good frontage, oval bone, slight slope in pasterns, flat across the topline held on the move, coat in good condition, moved positively with drive. BVIS

2. Collins- SH CH Romaunt Bloomin Grand at Forestpoint. Larger dog than 1 but still good to type, overall good across head to tail still strong in muscle and toning, shoulders well laid back, front assembly good, deep in chest with plenty of spring of rib, good tuck up in couplings, rear quarters with good angulation, movement was just a tad off today in a noisy and narrow area, RBVIS.

Puppy Dog (1)

tight, coat in good condition, moved well.

Open Dog (5,1)

1. [Ward's- SH CH Cornadore Argyle with Copperwhite](#). Fantastic look to this dog, square looking not over exaggerated and very much to type, giving a strong and athletic look, strong to type head of good equal plains, good eye and ear set, good muscular thickness to slight arch in neck falling to a well laid back shoulder, straight front with good oval bone, nice slight slope to pasterns to good feet, depth to chest and the spring of rib giving plenty of lung and heart room, couplings of good proportion to rest of dog, croup with width and strength, rear angulation good powered by well muscled and toned 1st and 2nd thighs, moved with a good drive in a straight and true gate. BIS

Puppy Bitch (3)

1. [Tattersall's- Alanea Savannah](#). Litter sister to puppy dog 1st, with a lot in common, looking the business totally to type with a good overall appearance, strong in a well laid shoulder, topline nice and flat, good eye and ear set on a well balanced head, good bone in front and tidy feet, nice shape to chest cavity, rear construction with a good bend to stifle, nicely toned thighs which gave for a strong and steady movement. RBPIS. 2. [Hutchinson's- Lairebay Drifting Breeze](#). Good looking youngster of a 'to type' overall outline and look, first-rate look to a well proportioned head, good eye and ear set, nice lay of shoulder, bone oval and developing well, chest good with a spring of rib good for age, rear construction ok toning to 1st and 2nd thighs coming along nicely, feet still a little loose but that will come, movement was good away and back, a little loose across in profile, but overall good at this age.

Junior Bitch (1,1).

Graduate Bitch (2)

1. [Sayer's- Settersay Snowstorm SWGC](#). Lighter built bitch than 2nd but balanced and true to breed type, totally fit for purpose, outline good, head plains equal and balanced, eye and ear set good, strength to neck, shoulders well laid back giving good front angulation, bone oval and feet tight, good shape and depth to a well sprung chest, rear assembly good full of strength and toned muscle, moved with a positive drive and gate.

Well balanced girl with a good overall look, nice plains to head with a lovely dark eye, neck flowed nicely over a good lay of shoulder across flat topline to correct tail set, chest with good depth, couplings strong and in proportion, rear assembly good, movement was a little wayward but not the worst, think the environment may have had a say in this.

1. [Hutchinson's- Siorudh red Velvet](#). Nice looking bitch with a good outline, equal plains to head with a good eye and ear set, nice laid back shoulder placement, good oval bone and neat front, good shape and tightness to feet, couplings strong, muscle and toning to rear was good, coat in good condition, presented and her movement was good.

Open Bitch (5)

1. [Tait's-SH CH Lovejoel Sleeping Beauty](#). Well used to placing this girl, still one of my favourites, great expression from a well balanced head, good dark eye and ear set, outline very much to type, flat topline to good set on tail, good in lay of shoulder so giving the front assembly the correct angulation evident with the reach achieved on the move, still strong in rear quarters muscular and toned, moved with a great dive straight and true without effort.
