I had the pleasure of awarding my first set of CC's at LKA in 1989 with an entry of 75 dogs, the 1990's seeing entries over 100 at some shows, how times have changed. There were some promising youngsters, but I was concerned that others lacked bone and substance, the IRWS should be an athletic powerful dog without lumber.

Puppy Dog (2,0)

1st: Tattersall's Alanea Mirror Image

This boy oozes breed type and quality. In tip top condition, his head has the correct amount of stop, level planes with a good square muzzle. Such a gentle expression with a lovely round dark eye. Plenty of good strong oval bone and nice deep chest he is mature for his age. Just the right amount of angulation fore & aft. Certainly one to watch in the future. BEST PUPPY

2nd: Griffin's Corranroo Capella

This young man needs to settle down, he also has the correct strong oval bone and mature body, but not the head of one.

Junior Dog NO ENTRIES

Post Graduate Dog NO ENTRIES

Limit Dog(2,2)

Open Dog(7,1)

1st Gardner's Sh Ch Alanea Game Reserve With Danwish

I've judged this dog before and how he has come into his own with maturity. His stunning outline filled my eye. Stylish athletic dog but in no way course, his strong arched neck flows beautifully into excellent shoulders, good deep chest, well-muscled body and firm level topline held on the move, strong wide hindquarters. This all comes together in his free-flowing movement which is a pleasure to view from all angles. CC & BOB

2nd Tait's Sh Ch Talintyre Winter Shadow

Such an impressive dog to go over, the best of classical heads with a kind expression. Well balanced throughout with a pearly white coat. Well ribbed up with the required strong oval bone. Not quite the maturity and panache of 1. But a well deserved. Reserve CC

3rd Jakins Int Sh Ch Bel Dutch Lux Ch Terme Des Coris Qalimero

This dog's type is out of fashion, he has many attributes, lovely head, broad in proportion to the body and good stop as the standard requires, deep chest, well spring ribs and strong oval bone. Sadly his movement let him down for higher honours.

Good Citizen Dog(2,0)

1st Martin's Laoirebay Steel Blue Ocean At Shannonstyle JW

Compact dog, well balanced, correct breed type, nice head with soft expression, would like to see stronger front pasterns and tighter feet.

2nd Collins' Sh Ch Romaunt Bloomin Grand at Forestpoint

Rangy dog who has gone over his best, carrying too much weight, not the best of shoulders which impacts on his front movement.

shoulders which impacts on his front movement.

Veteran Dog/Bitch (6,3)

1st Tattersall's Alanea Summer Cottage

Stunning bitch, beautiful head with kind and gently expression, such substance throughout, clean neck and shoulders, correct croup and tail set, well off for bone, with lovely tight feet, so well balanced her quality stands out from the crowd. In lovely condition defying her age. Delighted I have had the privilege to judge her and award her the CC her 60th.

2nd Tait's Sh Ch Lovenjoel Sleeping Beauty

Another top-notch bitch, set on smaller lines, without exaggeration, compact with everything in the right place, adequate angulation, lost out a little today on her front movement. Reserve CC

3rd Collins' Sh Ch Romaunt Bloomin Grand at Forestpoint See class 1934

Puppy Bitch (5,1)

1st Tattersall's Alanea Savannah Litter brother to the winner of puppy dog and similar comments apply. Mature baby with the best of heads and lovely dark round eye, correct oval bone and nice straight front. Well angled fore and aft, without exaggeration, another to watch out for in the future.

2nd Barney's Romaunt Ain't Misbehaven

Lots to like about this young girl, she just needs to settle down and get it together and live up to her name. Lovely to see she has lots of substance and good bone and strong body. Once she settles she will have a bright future. Nice to see these two young females with the required bone and substance which is promising for the future.

3rd Hawkins' Rubethan Florentine of Aislingwood

Junior Bitch (1,0)

1st Hawkins' Rubethan Florentine of Aislingwood

Sweet head, fine in bone, not in the best of coats, she needs time to mature.

Post Graduate Bitch (5,2)

1st Ward's Laoirebay Glenashleach Fom Copperwhite

Mature well bodies balanced bitch who needs to settle in the ring, sweet head and kind eye, well angulated fore and aft, good croup and tail set.

2nd Soper's Canterbyred Miss Magic

Not quite the finish of 1, but a close decision, pretty bitch without exaggeration, typical head with gentle expression, would like a little more depth of chest.

3rd O'Neill's Mavoureen Shadow Dog (Imp Pol)

Limit Bitch (4,1)

1st Tait's Talintyre Winter Spice

Typey athlete bitch with strong oval bone, shown in full bloom, the best of pearly white coats, good rear angulation, would prefer tighter feet.

2nd McDonald's Roanjora Rioja Crianza

Such a pretty bitch, she moved around the ring with panache, using her sound rear to advantage with effortless drive. Sweet head with no coarseness.

3rd Hart's Berryessa Ballderg with Gilliegrae

Open Bitch (4,1)

1st Soper's Lovenjoel Belle of the Ball

Compact bitch, full of breed type nothing to dislike, good head planes, balanced throughout with sound quarters, just coming back into coat.

2nd Wade's Sh Ch Oldestone Charlie's Angel

Lovely dark eye, giving this bitch a soft expression, nice deep muzzle. Well muscled body with powerful quarters. Not the steadiest mover of the day.

3rd Allen's Talintyre Winter Starlight at Killora

Another quality bitch of good breed type, everything in the right place without exaggeration, show in lovely coat and condition.
