*****YOUR JUDGE*****

Mrs Anita Tattersall (Alanea)

I received my first dog at the age of 15 years when my Dad thought I was old enough to look after it. It was a Border Collie cross Labrador and we did obedience for ten years, also adding two more Border Collies to the list.

I met the Menstonia WSS lady at dog training and experienced my first flavour for breed showing and purchased my first ESS some months later and had the wonderful pleasure of the dog show world. In 25 years in the breed, I produced and showed six Springers to CC level and one to a full champion.

One evening I was asked to judge a Match night where I first met the lovely breed I show today – Irish

Red and White Setters – it was two brothers, I believe it was Brian Greaves – that was it, I was smitten. And, as they say the rest is history! I have been in the breed about 20 years, owning and producing some lovely dogs and hope to have many more years doing so.

I have met and lost some lovely mentors in this breed and hope to be on that same list some day.

WELFARE OF DOGS

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Limited Rules and Regulations.

Right to refuse Entries: Exhibitors / Competitors are reminded that show societies have the right under Kennel Club Regulations to refuse any entries.

HEALTH AND SAFETY

A nominated Safety Officer will be in attendance throughout the show. Exhibitors and spectators are reminded that just as the Irish Red and White Setter Club of GB has responsibility to ensure the health and safety of all those attending their event, all those present have a duty and responsibility for their own safety. They are therefore expected to take the greatest care to avoid all uneven surfaces, guy ropes, and other hazards, which are inevitable and an integral element of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages and grooming tables also have a responsibility to ensure that their tools, equipment and collapsible furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site. Exhibitors show at their own risk, if conditions are not ideal or are unsafe, they may withdraw their dogs from classes.

ELECTRICAL EQUIPMENT

All electrical equipment MUST be PAT tested with an up-to-date certificate. Any exhibitor wishing to use an electrical appliance e.g. hairdryer, must seek the permission of the building's landlord and MUST produce a current PAT label attached to the appliance, to the Show Manager, otherwise the equipment will be removed by members of the committee and returned at the end of the show.

DOG LITTER

EXHIBITORS PLEASE NOTE:

In accordance with Kennel Club guidelines, Exhibitors must display exhibit number owner identification on their crates, cage or container at all times

20. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the 'dos and don'ts' travelling to and whilst at KC licensed events.
21. When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.
