I was thrilled to be given the honour to judge this lovely breed at Crufts. I would like to thank the exhibitors for their tremendous entry, with only two absentees and my lovely efficient stewards who kept the ring running smoothly. I was looking for well-muscled well-constructed, workmanlike examples of the breed, displaying strength yet not overdone in any way and I found these attributes in my winners.

### **Veteran Dog (2,1)**

1st Stevens & Turner's Sh Ch Corranroo Clooney of Annagh. Well balanced in outline and so masculine throughout. Nicely balanced in head with sufficient stop, nice eye and good length and strength of neck. Quality oval bone & good angulation in front and behind. Well sprung ribcage leading to strong loin. Moved soundly both coming and going on neat feet.

### **Puppy Dog (4)**

1st Ward's Roanjora Cremant De Lux Copperwhite. Lovely, mature outline. Masculine head which is sufficiently broad; good length of neck. Excellent depth of chest & spring of rib. Good bone and feet; strong topline. Coat of good texture and pleasing colour. Moved well fore & aft covering the ground well with each stride.

2nd McDonald & Westwood's Roanjora Cremant de Savoie avec Eusanit. Litter brother to my winner and of a pleasing type. Not quite the maturity of 1 but excels in hindquarter angulation. Nice head, eye & expression. Good, strong topline; sufficient bone. Would prefer a slightly shorter loin. Moved well both coming and going on good feet.

3rd Holgate's Hodgehall Don't Stop Me Now. Another lovely puppy with all the essentials just not as straight and steady on the move as one and two. Lovely, well-proportioned head & nice length and strength neck. Excellent lay of shoulder. Good depth of chest & strong topline.

### **Junior Dog (3)**

1st Ward's Roanjora Cremant de Lux Copperwhite.

2nd Peacock's Spiralwood Shining Light. Lovely outline, just needs to mature but has plenty of time. Nice masculine head with lovely eye & expression. Excellent length of neck & lay of shoulder. Good depth of chest and strong topline. Nice width of upper & lower thigh. Really strode out on the move in a workmanlike manner with lovely head carriage. Good texture and colour of coat.

3rd McDonald & Westwood's Roanjora Cremant de Savoie avec Eusanit.

### **Post Graduate Dog (3)**

1 Feasby's Rubethan Lemon Drizzle. Lovely head with good stop, nice eye shape & intelligent expression. Sufficient strength in skull. Pleasing length of neck leading into excellent lay of shoulder & return of upperarm. Good topline. Excellent bone and sinews. Good depth of chest; nice strength in loin for age. Excellent bend of stifle and

well let down hocks. Moved soundly fore & aft.

2nd Heslop's Klarnein Lake Side by Bonisla. Another nice dog with a well-balanced outline, just a little narrower in muzzle compared to 1. Good lay of shoulder & return of upperarm. Needs to mature a little in chest. Good topline. Moved well covering the ground well with each stride.

3 Jakins's Coolfin Murchard. Head a little too heavy. Nice angulation fore & aft. Good depth of chest. Well let down hocks. Nice width of upper & lower thigh. Moved well when settled. Coat with a lot of red in it compared to amount of white.

#### **Limit Dog (4)**

1st Barney's Romaunt Lust for Life. Well-muscled throughout & shown in lovely coat & condition. Masculine head, not overdone with nice earset & strong neck of sufficient length. Excellent angulation fore & aft. Nice bone and sinew. Good depth of chest & well rounded ribcage leading to strong loin of good width. Good topline & tailset. Moved soundly really covering the ground well.

2nd Taylor's Laoirebay Monte Carlo. Another lovely dog with a very nice head, eye & expression. Excellent neck displaying the required slight arch. Excellent angulation fore & aft. Good bone & topline. Moved well. Just not quite the maturity of 1 in outline. Good coat colour.

3rd Mapletoff's Roanjora Tanqueray. Lovely outline & shown in excellent coat. Nice head but would like a little more stop. Good rear angulation, a little straight in front angulation in comparison. Nice topline. Good width of upper & lower thigh. A little erratic on the move.

#### **Open Dog (10,1)**

1st Tait's Sh Ch Talintyre Winter Shadow. Dog CC & Best of Breed. A beautiful workmanlike example of the breed. I was thrilled to see him also awarded 4th place in the strong Gundog group. Shown in excellent coat and in muscular condition throughout. Lovely well-balanced head with sufficient width of skull, good stop and squarish clean muzzle. Nice eye shape & intelligent expression. Excellent length and strength of neck. Good angulation fore & aft. Excellent depth of chest & spring of rib. Pleasing width of upper & lower thigh; well let down hocks. Good topline and tailset with correct length of tail. Moved soundly fore & aft, covering the ground well with every stride and displaying excellent profile movement.

2nd Gardner's Sh Ch Alanea Game Reserve with Danwish. Res CC. Another lovely dog shown in superb condition. Well balanced & typical in outline. Masculine head with sufficient width in skull and square muzzle. Pleasing eye and expression. Good angulation fore & aft. Strong topline and well let down hocks. Moved soundly, covering the ground well on neat feet.

3rd Tattersall's Alanea Mirror Image. Lovely typical outline, just not quite as mature as 1 & 2 but everything in the right place. Good oval bone. Lovely length of neck; well let down hocks. Moved with drive on neat feet really covering the ground with every stride but a little loose in front movement. Nice coat colour & texture.

#### **Good Citizen Dog (1)**

1st Martin's Laoirebay Steel Blue Ocean at Shannonstyle JW. Nicely balanced head. Good eye shape and colour and large, open nose. Excellent angulation fore & aft. Shown in well-muscled condition. Good depth of chest & spring of rib. Nice topline. Coat of pleasing texture. Covered the ground well on the move but a little weak in front movement.

Excellent angulation fore & aft. Excellent depth of chest & spring of rib leading to strong loin. Good topline & tailset. Best mover in the class both in front & behind; neat feet.

2nd Sherratt & Blackwell Sherratt's Sh Ch Alanea Holly Fern at Charnborough. Beautiful bitch so typical in outline but just lost out by overall movement not being as true as 1. Beautiful head, eye & expression. Large open nose. Excellent neck, lay of shoulder & return of upperarm; good depth of chest and topline. Excellent width of upper & lower thigh. Good bone & sinew. Good feet. Presented in coat of good texture, colour and condition.

3rd Barney's Romaunt Ain't Life Grand. Another nice bitch, just preferred the head of 2. Nice length & strength of neck; good spring of rib. Excellent topline, bone & feet. Well let down hocks. Moved with drive covering the ground well.

### **Puppy Bitch (1)**
