Puppy Dog (3,0)

1 Mcdonald & Westwood & Westwood's Roanjora Cremant De Savoie avec Eusanit. 10 month old young man who is so clean in outline and is litter brother to my puppy bitch winner, he has not quite got the maturity of her yet as males tend to mature slower. Loved his head of correct proportions, dark eye and alert expression. Straight forelegs with oval bone and good feet, strong muscular neck into good forequarters, strong top line, body proportions developing nicely for his age, balanced angulation fore and aft, presented in super coat and muscled condition. On the move he displays excellent reach and drive and is totally at one with his handler. BPD

2 Ward's Roanjora Cremant De Lux Copperwhite. Litter brother to my winner and another one of a pleasing type. Similar remarks apply clean in outline, balanced quarters, lovely head, eye and expression, I just preferred the movement of winner, but I am sure these 2 will probably change places as both are of excellent breed type.

3 Martin, Martin & Green's Rhoswendale Game Is On Again for Vizaset (Imp Fin)

Junior Dog (2,0)

1 Mcdonald & Westwood & Westwood's Roanjora Cremant De Savoie avec Eusanit  
Repeat puppy

2 Ward's Roanjora Cremant De Lux Copperwhite Repeat puppy

Post Graduate Dog (1,0)

1 Feasby's Rubethan Lemon Drizzle. 2 year old with pleasing head with correct stop, eye shape and expression. Good length of neck into well placed shoulder, good top line, he has still quite a bit of body maturing to do and I would prefer a shorter loin, he was presented in super coat, but I felt he lacked a little enthusiasm on the move.

Limit Dog (1,0)

1 Barney's Romaunt Lust for Life. 4 year old mature male of excellent breed type, he has the best of heads, correct eye shape and colour, with the most mischievous expression. Strong neck of sufficient length into well laid shoulders, excellent angulation fore and aft. Strength in top line, well muscled hindquarters with developed 2nd thigh and good tail set. He is a rather strong willed boy and does tend to give his handler a hard time when stood, but it is on the move when this dog displays his attributes, covering the ground with excellent reach and effortless drive. Pleased to award him the CC.

Open Dog (3,0)

1 Ward's Sh Ch Cornadore Argyle with Coperwhite (Imp Pol). At nearly 9 years old this

young man belies his age, he is of excellent breed type, balanced in outline, masculine head with broad skull and good stop, correct eye shape, colour and intelligent expression. Clean strong slightly arched neck, straight forelegs with correct oval bone and feet. Well sprung ribs and strong rear hindquarters, with developed 2nd thigh. Moved with drive with correct tail carriage and handled well. Presented in super coat and muscled condition. I see that he is the sire of both my puppy winners. RCC & BV

2 Marti's Laoirebay Steel Blue Ocean at Shannonstyle JW. 6 year old male of good breed type, masculine head, of correct proportions, well placed ears, and a kind gentle expression. Slight arched neck, not quite the forequarters of winner, firm level top line, falling away slightly at the croup. Strength in his hindquarters, Moved well.

3 Titterton's pyefire Reyt Bobby Dazzler

#### Veteran (1)

1 Ward's Sh Ch Cornadore Argyle with Copperwhite (Imp Pol) Repeat Open

#### Puppy Bitch (2,0)

1 McDonald's Roanjora Crémant D'alsace 10 month old quality puppy who screams breed type, I see she is litter sister to my BPD she is so clean and typical in outline with the most feminine head and exquisite expression. Clean muscular neck of good length into excellent forequarters, firm correct top line, she is so well developed in body proportions for her age. Well muscled hindquarters, which she uses on the move covering the ground on an easy effortless stride and a super tail action. BPIB, BJ & RCC

2 Jarvis' Settersay Targaryen Lowdon. At just 6 months old this baby is still very raw but has lots of potential. She has a very pretty head of correct proportions with dark eye. Firm top line and good angulation fore and aft. She is lacking coat but has lots of time of her side.

#### Junior Bitch (1)

1 McDonald's Roanjora Crémant D'alsace Repeat puppy

#### Post Graduate Bitch (1,0)

1 Hawkins' Rubethan Florentine of Aislingwood. 2 year old feminine bitch who is built on finer lines, she has quite a nice outline, pretty head with gentle expression. clean neck into good lay of shoulder, straight forelegs, good top line, she just needs to mature, lacking a little coat, moved ok but was just a little loose in front.

#### Limit Bitch (2,0)

1 Burgess' Settersay Scorcher via Tymaran. 3 year old of good breed type, good breadth to skull with correct ear set and gentle expression. Good length of muscular neck into well laid shoulders, straight forelegs with oval bone, developed forequarters, level top line, well sprung ribs of good depth, firm loin and muscled hindquarters. Presented in good clean coat with clear red patches. Moved true and steady with reach and drive.

2 Barney's Romaunt Ain't Misbehaven. 2 year old feminine young lady who is totally balanced throughout, feminine head, super eye and expression. Muscular neck of good length, good top line, good hind angulation, not as further forward in body proportions as winner and unfortunately she had left her coat at home today. Moved well with plenty of reach and drive.

#### Open Bitch (2,0)

1 Gardner's Sh Ch Charnborough Charisma of Danwish JW. 3 year old bitch of excellent breed type and oozes quality. She is powerful but yet retains her femininity. Beautifully balanced head of correct proportions and stop. Correct eye shape and colour with super lively expression. Strong muscular neck into well laid shoulder, straight forelegs with quality oval bone. Balanced angulation fore and aft, well ribbed, strong top line. Well muscled hindquarters used well on the move to display excellent reach and drive, with a super side gait using her tail well. CC & BOB

2 Barnes' Ambancy This Is Me. Another quality bitch at nearly 3 year old she is full of breed type. She appealed in head with lovely eye, expression and adequate stop. Excellent forequarters with slightly arched neck of good length. Good depth of chest and spring of rib, well muscled hindquarters. Presented in good coat and condition and moves true both ways, retaining her top line at all times.
