---

I would like to thank the committee for allowing me to judge there prestigious 40<sup>th</sup> anniversary show. I joined the Red and White Setters in 1986. They are an amazing breed. It was lovely to see lots of old faces from the 80's. I was a little concerned at how they were becoming racier and losing their level top line, tails seem to be carried higher than they should. But having said that I was pleased with my placements and grateful how the exhibitors accepted my decisions.

The show was a credit to the committee. They should be proud of what they have achieved.
