I must thank Graham and Anne Hill for the opportunity to judge at their very well run Championship shows and for their hospitality and kindness, I am so sorry that they are leaving the WKC which I am sure they will leave in very capable hands. I wish them both a long and happy retirement. I had two enjoyable days at the show judging on the Friday Terriers and Saturday Gundogs, not big entries but entries that contained good quality dogs. Having sat and watched the 40th anniversary Club show and saw so many lovely dogs I was slightly disappointed with my own numbers of IR/W Setters. My stewards on Saturday were so very helpful Janet Kay and Ruth Jones

Veteran Dog (1)

1st Wards' Sh. Ch Cornadore Argyle With Copperwhite stunning 9.5 year old male in fantastic condition and presentation, with amazing muscle tone for his age. Lovely size and overall balance to this well developed dog presented so well in a groomed clean pearl white and red patched coat with nice feathering. Masculine head well worked good skull and ears, still retaining lovely dark eye colour, nice strong muzzle and jaw with good dentition. Lovely neck length with strength, good shoulders and firm level back with nice strong rump and well set tail. Lovely depth of chest and well angulated front on a body that has depth and well sprung ribs well back into a short strong loin. Muscular hindquarters with good return of stifle and let down hocks. Strong straight well boned forelegs and tight compact feet. Still retains good movement with a lovely reach and very sound powerful rear drive. Happy tail action well carried. BVIB

Junior Dog (4,1)

1st Wards' Roanjora Cremant De Lux Copperwhite headed a nice class of youngsters. I did like the head of the first was masculine and well worked, nice skull well set ears, nice stop lovely dark expressive eyes, strong muzzle. Holds head on good strong muscular neck set into clea well laid back shoulders and a firm lvl backline to strong hindquarters and well set on a nd carried tail. Nice front angulation and depth to his chest, well ribbed back, good depth and substance. Super clean well presented pearl white and red patched coat with nice feathering. Correct hindquarters, good return of stifle and let down hocks, and nice tight feet. Very sound powerful mover with lovely side stride and good reach at front and sound rear drive.

2nd Martins' Rhowendale Game Is On Again For Vizaset (Imp Fin) smart looking youngster just slightly a finer overall build. Good head development and nicely balanced, good skull strength and well set ears, nice dark expressive eyes, strong foreface. Good neck length to shoulders into a firm level backline with well set and used tail. Nicely angulated front and rear of a good body also with good depth and nice substance and with ribs well back into a strong loin. Presented well in a correct parti coloured jacket. Straight legs with enough bone moved out well but would have liked him a little sounder and more positive.

3rd McDonald & Westwoods' Roanjora Cremant De Savole Avec Eusanit.

Post Graduate Dog (1)

1st Roanjora Cremant De Lux Copperwhite

Open Dog (3) 1 Gardners' Sh Ch Alanea Game Reserve With Danwish a lovely well built male with a super stature and stood with a very impressive outline covering the ground well. Well constructed masculine head, good skull well set and used ears slight stop, dark expressive eyes, strong muzzle and jaw line. Holds a proud head carriage on a long strong neck into well laid shoulders, and a firm level topline to well set and feathered tail. Correct front and rear angulation of a body also with depth and substance having ribs well back into a strong loin. Beautiful coat of a lovely silky texture, good clear pearl white with rich red patches. Lovely straight well boned legs and tight compact feet. Powerful hindquarters well developed with let down hocks, lovely free mover with lovely side stride and good forward reach and very sound powerful rear drive. DCC BOS 2nd Tittertons' Spyefire Reyt Bobby Dazzler Impressive male very mature in build of a lovely size and outline. Good head slightly stronger and not having the same balanced as my winner. Held a proud head carriage on a nice strong moderate neck set well into well laid back shoulders, firm level backline to a nice rump and well set on feathered tail. Enough front but would have liked more angulation from shoulder to upper arm, Nice straight front legs and well in at the elbow. Lovely strength and well ribbed back body, presented well in a good textured coat, excellent clear pearl white jacket with patches which could be a richer red. Well muscled quarters with good return of stifle and let down hocks and compact feet. Sound powerful mover with good stride and gait. 3rd Martins' Laoirebay Steel Blue Ocean At Shannonstyle JW

Special Beginners Dog (1)

1st Jones' Roanjora Cremant Bourgogne This youngster was missing from the Junior class where he would have been up against his litter brothers, He is slightly smaller in build than the rest and not as well bodied but his overall outline is good and as he matures should develop nicely. Lovely well shaped and moulded head with good balance, well set and hung ears, dark alert eyes, enough stop and nice jaw line. Good length of neck, nice shoulder, firm level backline and nice hindquarters with well set and used happy tail. Good front angulation, could do with a little more depth of chest, Well ribbed back with short loin would like little more substance and body weight, very well presented and groomed with a lovely clear pearl white and red patched jacket. Hindquarters nicely developed with moderate return of stifle and let down hocks. Straight front legs needing a little more bone, and too free at the elbows, front feet could be tighter. Moved out well once he settled had a very happy attitude, sound forward and rear action. Best Sp Beg.

Junior Bitch (1)

1st McDonalds' Roanjora Cremant D'alsace Truly feminine youngster with a fabulous outline and good overall build and balance, although today she was very well bodied and carrying a little too much weight but for a youngster I do like to see a good body with substance. Correct head shape, well developed and moulded, nice stop, dark alert eyes and well hung ears. Lovely neck into well laid back shoulders and a firm level backline, nice rump and tail set. Well angulated front and rear of a nice proportioned body well ribbed back into a strong short loin. Very well presented pearl white coat with slight flecking, nice rich red patches. Lovely straight legs, needs to strengthen in bone, nice compact feet, very sound free mover, good reach and powerful drive a slight body roll today. BRCC One for the future.

With super coat presentation well groomed, good flat silky texture of clear pearl white with nice red
