I would like to thank the Club for granting me the honour of judging their breed Open show, and the exhibitors for accepting my decisions. On the whole there was a far greater depth of quality in the bitches than the dogs, which is reflected in my 'Best of' results. I was pleased to see there were no incorrect bites and no displays of poor temperament. A few exhibits had body flecking which is not in the breed standard, but this was a smaller consideration to me than overall breed type, balance and movement.

Veteran D (3, 1 Abs)

1. Taylor LAOIREBAY MONTE CARLO 7 yrs. Masculine head, well proportioned body, strong neck, correct tail set, good bend of stifle, moved a little wide in front.

Puppy D (1)

1. Mackay COOLFIN WHISKEY IN THE JAR. 7 mths, very raw puppy whose head needs to develop, level top line and correct markings, moved erratically so difficult to assess.
