Special Awards

Junior (3)

1st Harts, Gilliegrae so Berry Excited. 8 mth old promising boy. He has a lovely head, good eye shape and colour which gave him the kindest expression. His neck is clean and leads into nicely angulated shoulders. For one so young, I just loved his bone, depth of chest and spring of ribs. He stands on neat feet and covers the ground well. One to watch.

2nd Okelly/Hancock, Coolfin The Ecstasy Of Gold at Caradilis. 12 mth old girl. I liked her make and shape. Strong in head but still maintaining an attractive expression. Moderate neck leading into good forehead assembly, firm topline but still needs to drop in depth but has plenty of time. She is in lovely condition and great muscle tone which enabled her to move well.

3rd Mackays, Coolfin Whiskey In The Jar

Post Grad (2,1 abs)

1st Martin/Martin/Green, Rhoswendale Game Is On Again For Vizaset (Imp Fin). I really liked this nearly 2 year old boy. He still needs to mature and balance up but has plenty of time. His head is masculine and balanced with a good skull shape and earset. He has a nicely angulated forehead, straight front standing on neat feet. Good depth and length of ribs. He is in great form and very well presented. He moved soundly around the ring keeping a balanced outline.

Open (7,3abs)

1st Catton/Cook, Sh Ch Daithi Shadow dog With Ferngate. I gave this quality boy a BOB when he was young and I am delighted that he has since gained his title which he thoroughly deserves. I love his balanced outline, nothing exaggerated. He has a handsome head, kind eyes and good earset. Good length of neck with well angulated shoulders and a good return of upper arm. Now that he has matured he has dropped in brisket and has a good spring of ribs. His topline is firm and straight, good croup leading into shapely rear quarters. He moved soundly and happily around the ring wagging his tail and thoroughly enjoying his day.

2nd Walkers, Sh Ch Zendarric it's a kind of magic with Wroxham (jw). What a lovely 9 year old lady. I would have loved to have seen her in her prime. She has an ultra feminine balanced head, good eye shape and colour with such a pretty expression. Good shoulders and depth

head, good eye shape and color. Minus a pretty expression. Good structure and depth of chest. I love her clean outline with nicely angulated rear quarters and she moved soundly.
3rd Wards, Roanjora Cremant De Lux Copperwhite (JW)
