Thank you, the society, I really enjoyed my day.

VD (1)

1 Tattersall & Jones, Carrick Shadow Dog With Alanea (Imp Pol). This strong masculine dog looked well for his 7-years. He had type in head, a good expression and full muzzle, but not overdone. He has good bone and feet and has well sprung ribs with short loin. He has balance and moved with soundness and a good shape. Res CC.-BV.

PD (1)

1 Smith & Smith, Gilliegrae Berry Good Vibes. I think this 9-month shows promise. he has a masculine head which is typical in proportions with lovely eye, stop and muzzle. Good bone, turned out in good condition, with body and shape and a firm outline to a well-set tail. He was in good coat and moved on well. Particularly going round. BP. JD (1) 1 Smith & Smith, Gilliegrae Berry Good Vibes. Repeat.

PGD (4)

1 Tait, Talintyre Fomhar Reiver. A smart dog, with a pleasing shape of the breed. He had a lovely head, correct for the breed. In good condition and moved better than the second dog.
2 Martin, & Martin, & Green Rhowendale Game Is On Again For Vizaset (imp Fin). He has a good head, correct skull, stop to foreface and good expression. He has good lay of shoulder blade; he stands on well boned legs and good feet. Moves rather wide in front and don't like his high tail carriage.
3 Holgate, Hodgehall Don't Stop Me Now With Rogansrock

LD (2)

1 Ward, Roanjora Cremant De Lux Copperwhite JW. Smart, really well-balanced dog. He is masculine so full of type and in good condition. He moves as soundly as he is made with really good tail, lashing his flanks. Well turned out in grand coat. He deserved his win today, but think he will be even better with another year on him. CC-BOB.
2 McDonald, & Westwood, & West Roanjora Cremant De Savoie Avec Eusanit JW. He has type and is masculine. A grand head with good outlook. Could have more angulation through his forehead. He was well handled and went well, going round. Just not quite as balanced as the first placed dog.

JB (2)

1 Jakins, Coolfin Baltic Turn The Page. I liked a lot about this feminine young bitch and think she should come together well when she matures. She has type and personality and moves on well with good tail carriage.

2 O'Kelly, & Hancock, Coolfin Ecstasy Of Gold At Caradilis. Sister to the winner, not just as forward or balanced at the moment, nor is she as balanced. Both have type and should come on well, just at different stages. Both well handled.

LB (2)

1 Tattersall, Alanea Savannah. At 3-years, she has the maturity and finish to show her lines and balance. She is strong, feminine with elegant lines. lovely head, skull ear, eye to stop and strong muzzle without too much lip. She has clean, neck good shoulders and stands on good legs and feet, with elbows tidy. Well bodied and coat moved well with drive from hocks. CC.

OB (2)

1 McDonald, & McDonald, & McDonald, Sh Ch Roanjora Cr--emant D'alsace. JW. litter sister to the best of breed. Liked her type, make and shape. She has quality and balance. Very like the female version of the male, in type. Today not quite the confidence of her brother or the CC winner. Res CC.

2 Tait, Sh Ch Talintyre WinterSpice. Very lovely in outline and she has shape and balance. Well presented in good condition and moved with handler well. Just not the feet of the winner.
