G.C.D S.(1)

1st Jones, Roanjora Cremant Bourgogne INTRO EX

A 3 year old dog who performed his task in unison with his handler. Soft expression, with dark eyes, good ear set, strength in body, I liked his coat colour and patches. He moved with a good stride, and was well presented. Nice one.

JUNIOR DOG (2)

1st Harts, Gilliegrae So Berry Excited.

Handsome young dog of good breed type. Loved his super outline, clean cut with no exaggerations. Depth in his body with well sprung ribs, width in strong loins and back. An attractive coat of good colour pearly white, presented and moved out so well on a free flowing stride. Still has more maturing to do.

2nd Smith, Gilliegrae Berry Good Vibes.

Litter brother to first, slightly taller but still lots to like, longer in muzzle, dark eyes, strong neck, front and good feet. Also a good coat. Rather untidy on the move not as one with handler & they both to settle down. This will come with practice & time.

POST GRADUATE DOG (4)

1st Holgate, Hodgehall Don't Stop Me Now With Rogansrock.

Lovely breed type, with strength in his attractive outline. Good proportions to head, with hazel eyes.

Front, shoulders felt correct angles, with spring in ribs, depth to body, holding firm top line. Right amount of weight in body. He moved out well on a long free stride.

2nd O'Connor Coolfin Whisky In The Jar At Mackey.

A younger dog than the first, very smart, I loved his rich red coat. Soft gentle expressive dark eyes, strong med neck, good front, nice feet, well feathered. Body of even proportions, he moved true, free striding, holding a level top line.

3rd Jones Roanjora Cremant Bourgogne.

LIMIT DOG (5)

1st Martin, Martin & Green Rhoswendale Game Is On Again For Visaset (imp Fin)

Super dog, another one with quality and good breed type. Tip-top condition, firm to the touch, masculine head with hazel eyes, good skull shape, med neck, firm front, chest, & feet. Depth in body, well sprung ribs, width to loin and quarters level topline tail set good. Moved very well after a shakey start!

2nd McDonald, Westwood & Westwoods Roanjora Cremant De Savoie Alec Usanit JW

I really liked this dog, such quality, with a striking outline. Masculine in all departments, all male! Head with a look at me expressive dark eyes good flews, muzzle, ears level with eye set, strength in neck, strong front. Shoulder strength, depth to body which had depth and strength overall. Level topline. Coat of ample feathers, super colour & markings. Sadly, he did not move as one with handler today.

3rd Tait, Talintyre Former Reviver.

Smaller framed dog than the above, but well balanced in outline. Quite compact in body for size. Typical in head shape, with dark eyes. Strength in his well muscled body, good bone, feet, tail set, coat of good colour, well presented & moved with style.

OPEN DOG (9) 1 abs.

Cornwall Settersay Tornado

My notes say WOW! Impressed me when I first set eyes on him! Just what I looked out for. Has the quality, style, breed type, strong & powerful, without lumber. At 5 years young in my opinion he meets the breed standard in full. Head of even proportion, soft melting dark eyes, with that look at me, & I did! Great strength in his male body, well angulated shoulders, strong front, good bone, feet. Muscular body, with great depth, spring in ribs, width to his thigh strength, good bend in stifles. Coat of quality with good feathering & even red markings on both sides of his body. He really pulled out every bone & muscles to move out, with his competent handler to win the DCC & BOB.

2nd Tait, Sh Ch Tallentyre Winter Shadow

This dog was shorter coupled, but hiding nothing on his smaller frame. Felt in hard condition and well muscled, kind expression in his dark eyes, he appealed for his outstanding balanced in his overall appearance. Good bone & feet, level topline, tail set good. He moved out on a good extended trot.

3rd Jaenisch Dt Ch Achilles Hunter Of Love

Young three year old dog having an a good mature body, such hard condition to the touch. Stood like a professional, handled to perfection. Liked him for his compact strong body, which felt soft & silky. Nice head, pleasing expressive dark eyes, good bone & substance, moved out so well, deserved this place in such a strong class.

FIELD TRAIL DOG (1)

1st Sayer, Settersay Dragonstone

In years gone by our breed did not have these classes, & I am delighted that now our breed has now been recognised. A three 1/2 year old who shows he can do a days work in any company. Carrying the correct weight. Overall construction could not fault, coat colour & condition excellent. Moved with drive & purpose. Well handled.

SPECIAL WORKING GUNDOG (1)

1st Sayer, Settersay Thunder SGWC

The breeder of these classes has obviously set out to maintain a high standard in our breed for the above.

A five year old, who as a mature dog showed off his obvious talents. I am delighted that the dog has gone onto win his certification in his lifetime. Mature in body, flowed around the ring, not fazed by anything. Well done. What a boy x

VETERAN DOG (4) 1 abs

1st Green, Sh Ch Zendarric Heart Shaped Box with Viszaset

So good to see him again on his 10th birthday on the day. Not showing any signs of his age, still going around the ring demanding the attention he so deserves. In great condition, strong & powerful, he is an inspiration for the breed. No hesitation in awarding him the Dog RCC today. Thank you for bringing him.

2nd Jakins Sh Ch Int Sh Ch Multi Ch Terne Des Chris Qalimero at Coolfin imp. JW VW

Smaller framed dog, clean outline, a fit dog in hard condition, strong in bone & substance, moved positively to win his place.

3rd Mapletoft Roanjora Tanqueray.

Good head, dark eyes, has excellent bone & substance, colour & condition was fine moved OK for his hard working handler.

GOOD CITIZEN DOG SCHEME B (4) 1 abs

1st Barnes' Sh Ch Ambancy This Is Me

Attractive bitch of style & good breed type. Love her expression, dark eyes good length of muzzle clean flews, domed head well set ears, leading to strong medium size neck. Shoulders well placed good front, depth to body, spring in ribs, level topline & tail set. Evenly patches of red on both sides, clear white coat good feathering. Moved with drive & precision. One of my favourites.

2nd McDonald Sh Ch Rioja Crianza

A lighter framed bitch than 1st, but has many qualities to show. Fine head with long muzzle dark eyes. Good body, tight front, good lay of shoulders, slight dip in topline rounded croup, tail set well set. Width in thighs with good bend in stifles. Presented to advantage, Moved well.

3 Skene Rubethan Cake It Or Leave It SGWC

Totally out of coat after her recent litter! But nothing to hide pretty girl with a lighter frame than the above, firm to the touch & moved out with enthusiasm. Good working type of bitch.

PUPPY BITCH (3)B.P.

1st Gibson Foreverknox mo Anam Cara

Still such a baby but shows much promise, I liked her overall construction and she has a soft expressive head showing dark eyes. She performed well moving steadily around the ring with drive. Should have a bright future. Well done.

2nd Brooke Craigrua Iona Grousenden (IKC)

Similar in size, different type to one, more 'working', pretty head, good front body bone & feet which she used to move out well with her handler.

3rd Jaenisch Jette Of Old Cruksand Harbour (ATC BC 3469IDUE)

A taller puppy from the above, who just would not co-operate today with me or handler.

It was hard to assess her, but time love & patience should be given to help her accept her path into the future.

POST GRADUATE BITCH (8) 1abs

1st LORENZI Alanea Vista Di Oro

Super type, showing a well balanced outline, her feminine pretty head has dark eyes, good proportions, ear set, rounded skull, strong neck, level topline, good angulation overall, coat OK. She moved out on a long free strong style and enthusiasm, giving her all. Very well handled, well done.

2nd Gibson CoolfinAoife Of Foreverknox

Another quality bitch, different type from the above, quite a lot of red in her coat, but appealed for her beautiful condition; not long off a litter. Well placed shoulders, front strong & tight. Felt firm to the touch. She performed well on the move at one with handler.

3rd Sherratt & Blackwell Craigrua Destiny For Charnborough

Just over 3 years old, a smaller bitch in overall size, smart well constructed, pretty head, good angulation all round, nice bend in stifles strong topline & back end. In hard condition. Did not co-operate so well today, but moved out OK.

LIMIT BITCH (6) 1abs

1st Barney Romaunt Ain't Misbehaving

Mature bitch of quality. Super angles, strong in bone body & substance. Typical in head, good front, shoulders & topline, coat colour OK, (white on one side,) had a well muscled body, wide strong quarters which she eventually used to show off herself on the move with her handler as one.

2nd Bootland Ambancy Dancing Queen

Litter sister to the GSBS, obviously I liked this type of bitch! Sweet face dark eyes, good front, shoulders topline. Width to thighs, wide powerful hindquarters, great bend in stifle, correct tail set, good feet, she used all her assets to move with a good driving action.

3rd O'Kelly & Hancock Coolfin The Ecstasy Of Gold At Caradilis

Really nice clean cut outline, standing, coat of good condition, dark red patches. Typical head of her breeding, strong in body, good bone overall, moved OK, but sadly & obviously, dropped her topline once home in the line up!

OPEN BITCH (13) 2 abs 2wd.

Super class with some challenging hard decisions.

1st Bayne Sh Ch Settersay Martell By Coranroo.

Fabulous! My notes say. Excelled in my eyes for her top quality overall. It was my pleasure to be able to judge her. Feminine pretty head, with those dark appealing eyes. Head of correct proportions, ear set correct, neck, front, shoulders, correct placement. Well muscled strong front, depth of chest, spring of rib. Held a level topline & tailset. Super coat/condition/colour & red patches. Moved out freely to perfection by her competent owner. Loved that Pearl. BCC & BOS. Well done.

2nd Gardner Sh Ch Charnborough Charisma Of Dawnwish J W.

Another top bitch with quality & style., difficult decision between these two beauties! She was a slightly smaller in size, but not much, very attractive, super head qualities, dark eyes, correct levels of head proportions. Coat of great quality, with islands of rich red clear white.

Super body, condition & feathering. Moved out so well. A pleasure to judge her, thank you.

3rd. Barnes' Sh Ch Ambancy This Is Me.

Seen in GCDSB.

FIELD TRAIL BITCH (2)

1st Sayer Settersay Snowstorm SGWC

Typical of her breeding, mature, strong well balanced bitch who would easily do a days working & more.

Head with soft expression, dark eyes with that, 'let's go' look. Body in great hard condition, moved as I expected with great attitude, congratulations on her certification.

2nd Brooke ESP Ch Drumlace Shadow In Earnest At Grousenden SGWC

Different in size and type, and on a smaller frame. I liked her clean outline, pretty girl in head, very hard condition, so well muscled, good legs & feet, moved out on a good balanced driving action. Well done.

SPECIAL WORKING GUNDOG BITCH (2)

1st. Sherratt & Blackwell Ch Alanea Holly Fern At Charnborough SGWC

What can I say about this amazing bitch who has fulfilled all that her owners have asked from her.

She has big attitude at her age of ten years young, still wants to please them in any way. It was my great pleasure to judge her and award the RBCC today, thank you for bringing her for me to judge.

Congratulations.

2nd Skene Rubethan Cake It Or Leave It SGWC

VETERAN BITCH (5) 2abs

1st Sherratt & Blackwell Ch Alanea Holly Fern At Charnborough SGWC

SEEN.

2nd Walker Sh Ch Zendarric It's A Kind Of Magic Within Wroxham JW.

A favourite of mine from a while ago. She was not wanting to co-operate so much today, but I forgave on her 10th birthday! Fabulous for her breed type, in great hard condition. Her coat & colour retains that luscious sheen, super outline great angulations in all departments, still has that look at me, moved with drive.

3rd Rojek Int Ch Cornadore Burica (ATC AWO 1902 POL)

Mature bitch of good breed type, strong in her super balanced outline, feminine head, dark eyes, strong neck tight front, elbows in, good feet. Level topline, I liked her going around the ring at a steady pace, moving soundly.
